## **Appendix 1 - County Councillor Tom Thacker Update March 2023**

### **Budget and Council Tax**

At the meeting of the full County Council, budget plans for the upcoming financial year were agreed. Leader of the County Council, Councillor Rob Humby, said: "Each year, the County Council is tested to the limits in continuing to deliver a balanced budget, which is required by law. Planning for this upcoming financial year has been no different, and we have had to navigate further intense pressures resulting from the cost-of-living crisis, inflation and workforce pressures and growing demand in key areas such as social care for the most vulnerable children and adults in our communities – which far outweighs available Government funding.

"We are also acutely aware of the very difficult decisions Hampshire residents face in their own household budgets to make ends meet, but reluctantly, in order to help deliver a balanced budget for 2023/24, we have no other choice but to increase the council tax precept. This is a decision we have not taken lightly. But even after this increase, we are still left with a £50.8 million shortfall in our revenue budget which we will have to fill using our reserves – built to buffer this and next year's anticipated budget shortfalls."

Hampshire County Council's council tax precept for the financial year beginning 1 April 2023, will increase by a total of 4.99%, of which 2% will go specifically towards adults' social care, in line with Government policy. This equates to an annual charge of £1,460.25 for a Band D property – an increase of £69.45 per year or approximately £1.34 a week.

The increase still means that Hampshire has one of the lowest council tax precepts of any county in England.

Alongside revenue budget plans, the County Council has approved new capital spending of £645.3 million over the next three years. This provision for Hampshire's infrastructure brings the County Council's four-year total investment in the fabric of Hampshire, to £927.3 million.

It is worth noting that all opposition parties did not put forward any alternative budget, yet some still voted against setting a budget that we are legally bound to do.

### **Coronation**

My 2023/2024 member grants stream opens in early May this year. I am advised that any applications for helping with events to celebrate the Coronation of King Charles III can be submitted earlier. Any organization that wishes to apply for such a grant should write to me directly at [tom.thacker@hants.gov.uk](mailto:tom.thacker@hants.gov.uk)

### **Kingsclere**

Last week. I met with residents of the Dell and discussed the road's surface and looked at some potholes and the drain at the junction with Basingstoke Road. I raised various issues and I can update that jetting of the drain is now on the contractor's worksheet – although I do not know when this will be carried out. I am following up on individual tickets advised to me by the residents.

## Appendix 2 – Clerks Report

**Lengthsman Scheme** - We have re-entered the Hampshire CC funded Lengthsman Scheme we will have an anticipated 33 hours for 2023/4. Depending on how many parishes re-enter the scheme (14 in total last year) it equates to about £1000 of work for each parish.

**New Exclusive Rights Cross Markers** – Huge thank you to Howe and Sons for donating 10 Crosses for use on Exclusive Right reserved plots.

**Lime Trees in Churchyard** – due to be pollarded this coming financial year, one resident has offered to pay for six tress – permission has been requested from Basingstoke and Deane we are awaiting response – these six may be done this spring the remainder possibly in Autumn.
