## Tree Survey

### 1.0 Brief

- 1.1 Tree Solutions UK has been instructed by Mrs S.Harry on the PPC of St Andrews Church to carry out a Tree Safety Inspection to:
1. Assess the general health and condition of the tree stock with in the grounds of Donhead St Andrew Cemetery.
  2. To identify any reasonable tree management issues that require Attention now and also to prevent potential issues developing in the future.

### 2.0 Limitations

- 2.1 The tree was surveyed from ground level using Visual Tree Assessment (VTA) Methods.
- 2.2 No decay detection equipment was used and no internal investigation techniques were included.
- 2.3 All recommendations and observations are based on experience and knowledge, but trees are dynamic organisms and are subject to annual change as well as extreme weather conditions which can and do cause damage.
- 2.4 This Tree Safety Inspection is valid for 12 Months from the date of inspection

### 3.0 Other Considerations

- 3.1 **Statutory Wildlife Obligations.** The Wildlife and Countryside Act 1981 as amended by the Countryside Rights of Way Act 2000, The Habitats Regulations 1994, as amended 2007 and 2009, provides statutory protection to Habitats and various species of wild animal, particularly Bats.
- 3.2 **Work on trees with a preservation order, or in a conservation area:** under section 198 and 211 (1) of the Town and Country Planning Act 1990 you are obliged to obtain permission from the local government planning department to carry out any works to trees on the site, if they have either a tree preservation order on them or your property is with in a conservation area.
- 3.3 All tree work that is carried out should be done in accordance with BS3998 (2010).

### 4.0 Weather Conditions and Time of Year

- 4.1 The conditions were good.
- 4.2 The time of year was Mid Autumn

## 5.0 Conclusion

5.1 Any work recommendations have been balanced between.

1. Risk to public and buildings
2. Any future management issues
3. If there are any clarifications required on the terminology in this survey, then please let us know.
