

The Duchess of Cornwall stuns in an outfit JUST like Kate Middleton's in Somerset¹

A fab outfit choice, Camilla!

The Duchess of Cornwall looked fresh and ready for action on Wednesday morning as she paid a visit to Frome Men's Shed, in Frome, Somerset. The royal was at the establishment to learn more about the work of 'Compassionate Frome'. We loved her outfit, which consisted of a black cape and tartan top and skirt combo, which really reminded us of the Duchess of Cambridge's Q by McQueen coat she wore in Dundee the day before. The wife of Prince Charles wore a frosted lipstick, subtle eye-shadow and wore her hair in a bouffant style with plenty of volume. The Duchess wrapped up warm and looked in great spirits as she arrived.

We loved Camilla's gloves and cape combo
