

**The War Graves and Memorials
of
The Fallen of Fletching Parish
in
World Wars I and II**

This booklet has been produced by The Fletching Branch of the Royal British Legion. The purpose in doing so is to ensure that knowledge is not lost (especially of those not found on the Village Memorial). Those who wish to visit the graves and memorials will be able to do so more easily.

With particular thanks to Sonia Harriyott, whose meticulous record keeping over many years has been invaluable.
