

Notice of lane closure on the M6 between Junction 14 and 15

February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Kier is carrying out surveys and investigating ground conditions along the Phase 2a route.

What we are doing

We are developing designs for junction improvement to support traffic flow on the emergency slip road of the M6 near Yarnfield. We have completed the ground penetrating radar and topographical surveys which are above ground to help inform future construction design. Our next step is to carry out surveys that involve pavement coring, bore holes, trial pits on and off the highway. We will excavate below ground to provide us with samples and allow us to view the structure and record the layout of land.

We will be working in the verge side, and to carry out this work safely we will need to close lanes one and two on the **M6 between Junction 14 (Creswell Interchange) and junction 15 (Hanchurch Interchange)**, overnight for four consecutive nights.

When the work will take place

This work will take place overnight from **Tuesday 21 March to Friday 24 March 2023** between **8pm and 5am**. Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

- **Northbound: On Tuesday 21 March and Wednesday 22 March between 8pm and 5am**, we will be closing lanes one and two on the M6 Northbound between junction 14 and 15.
- **Southbound: On Thursday 23 March and Friday 24 March between 8pm and 5am**, we will be closing lanes one and two on the M6 Southbound between Junction 15 and 14.

Notification

Duration of works

Tuesday 21 March to Friday 24 March 2023 from 8pm to 5am

Please note that the time and date in this notification may be subject to change.

What to expect

Lane closure on the **M6 between Junction 14 and 15 Northbound**

Lane closure on the **M6 between Junction 15 and 14 Southbound**

What we will do

Notify you in advance of any changes

Signage will be in place throughout the duration of our works.

Notification

How will this affect you

We recognise that reducing the motorway lane availability may be frustrating, and by working off peak hours this should limit disruption when completing our survey work. Please allow for additional time when planning your journeys.

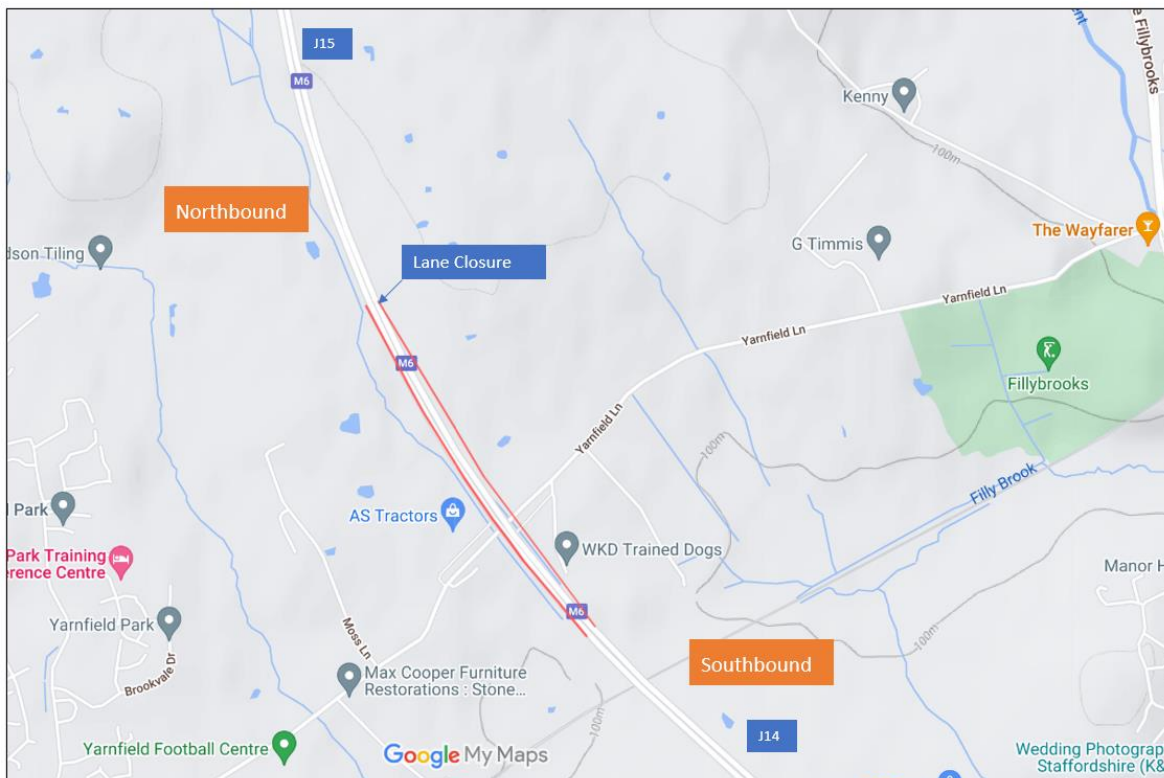

As part of the work, we will use machinery and equipment that may generate some noise throughout our time on site, we will work to reduce the impact on the nearby community.

How we will minimise disruption

We will only work on one side of the carriageway at a time with two lanes remaining open for running traffic. The timing of the lane closures may vary depending on the traffic count. Please be patient while we secure the work area setting up traffic management.

We will also only close a small section, keeping the remain carriageway open between the junctions, and obtain permission from Staffordshire County Council to avoid clashes with other roadworks in the area to prevent delays. We will restore work areas to their original condition, completing the work safely and as quickly as possible.

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

Two funds are now open for applications from local communities and businesses affected by the construction of HS2. They are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF). £5 million has been allocated to the funds for phase 2a of the railway.

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
