

HANDICAP SINGLES 2026

4 woods each. The winner is the first player to reach **their own target in shots** – the handicap is to 21 to give the winning score for each player.

Thus, if player A has a handicap of +2, they must reach 23 to win, and if player B has a handicap they must reach 18 to win.

The first-named player is responsible for arranging a marker.
