Other attendees: District Councillors Greg Collins & Diane Gould. One member of the public.
2. **Declarations of Interest:** Cllr Long declared an interest in item 15. This would leave the meeting inquorate to discuss and decide the item, it would therefore be deferred until the next meeting.
3. **Minutes**
 - 3.1. Cllr David Turton wished it to be recorded that he abstained from voting during Item 7 (Telephone Box Refurbishment) at the previous meeting. Subject to this note **It was resolved** that the minutes of the council meeting held on 22 January 2026 were a correct record and were signed by the Chair.
 - 3.2. **Matters Arising:** None
4. **Public Participation:** A representative of Rushlake Green Little Arts reported the following in support of their grant application:
 - The application is for funding to go toward the cost of replacing the groups exhibition boards which are 40 years old. The boards are also used by many other local groups and stored and transported by Little Arts. A funding award of £250 was recently received from WDC micro grant scheme, and a contribution from WPC would be appreciated.
5. **Reports**
 - 5.1 **County Cllr Bob Bowdler** was not present at the meeting and the circulated report was taken as read.
It was noted by the meeting that the May elections would now take place. District Cllr Collins confirmed that WDC never stood election plans down, so polling stations are already booked and the elections will all take place in the usual way
 - 5.2 **District Cllrs**
 - Cllr Diane Gould:**
 - The Ward Grant Scheme has some available funds so applications from local groups are still invited. Details had again been circulated by WPC to both village hall committees and Osborne House.
 - Cllr Greg Collins:**
 - Zero increase in Wealden council tax was agreed and confirmed at full council.
 - The result of the High Court judicial review about Crowborough base being used to house migrants is due to be declared tomorrow (27 February 2026). WDC is not the planning authority for Crowborough Camp, the Ministry of

Defence is its own building inspector.

- In response to a question about local government reorganisation and how likely it was to take place; it was noted that whoever gets elected ESCC are powerless to stop the plans for reorganisation as they are top down from Government. It is now expected that District elections will take place in 2027. Even after reorganisation there will still be three tiers of authority which makes it difficult to understand the different layers of responsibility.
- The WDC Local Plan, going ahead for consultation with the deadline for response 20 March 2026, will be assessed under the current NPPF guidelines. Although there are still many steps to take, the goal is to be ready to submit the Plan to the Inspector before 10 December 2026. If successful the Local Plan will still carry weight, despite the proposed future changes to the NPPF. Members requested that planning applicants should be warned about policy changes so that they are aware of possible effects on their applications, it was noted that steps are in place for applications already in the pipeline.
