We want to know what life is like for young people in Bayston Hill and what your needs are, as in the future we will hope to work with you to create activities and projects to benefit you.

Once we have collected lots of surveys, we will put together a picture of young people's experience and ideas from the results. Everything you say will be anonymous and we will not be able to trace your answers to you as an individual.

With thanks to Marsh & Micklefield Big Local for the questions.
