Where snow drifts and ice are causing major issues, especially in situations where there is a threat to life/property or livestock; phone Basingstoke and Deane's Emergency helpline on 0845 603 5633 or call 999. For other updates and details of the assistance available, please visit the Borough Council's Snow and Ice web-page, located at: <https://www.basingstoke.gov.uk/snow-and-ice>

- Other updates on the Borough's cold weather response and information on council services available to help can be found at [Basingstoke and Deane Borough Council X \(Twitter\) page](#) or [Basingstoke and Deane Borough Council Facebook page](#). For detailed information on local and national weather conditions, visit the [Met Office website](#) or listen to local radio broadcasts.
- If internet and phone communication are lost, please check on the wellbeing of neighbours who you know do not possess a mobile phone.
- Please remember to use the salt bins. The salt bins are intended for the public highway and not for private use.
- If the salt bin is 50% empty please notify Hampshire County Council and request a salt bin refill on: <https://www.hants.gov.uk/transport/roadmaintenance/severeweather/salting>
- When unavoidably travelling by car in extreme weather, to assist anyone as a result of this Snow Plan: please ensure you take sensible precautions including but not limited to; notifying someone else of where you are going, wearing suitable clothing, having a mobile phone, shovel, blanket, torch, water, snacks and basic first aid kit with you.

Thank you for volunteering to be a part of this Snow Plan
