Dear Mr Caffarey,

**Assets of Community Value (ACV) nomination:
The Bull Inn, High Street, Much Hadham, SG10 6BU**

Following your nomination to consider The Bull Inn PH as an Asset of Community Value (ACV), a decision-making panel was held and the panel reached the decision that The Bull Inn PH should be registered as an ACV. The reasons for this are as follows:

All the requirements have been satisfied in terms of validating the nomination for consideration and the criteria of "Use of the land or building has furthered the social well-being or social interests of the local community in the recent past AND it is realistic to consider that it will do so again during the next five years" is met.

The panel felt that The Bull Inn PH is an important part of the local community and the evidence submitted by the nominees strongly supports the criteria. It will now be registered as an ACV on East Herts Council's register of ACV's.

Please do not hesitate to contact me if you have any queries.

Kind Regards,

Esther Piper
