

Moulsford Events

Nigel Baker, Dave Reynolds

With Spring starting to bloom it was great to see so many people at our recent Litter Picking morning on 25th February which really made a difference, many thanks to Mandy Stoker for co-ordinating.

It is now time to start thinking about our village events!!!!..... and our Events Committee have been busy planning the 2024 season. We are very much looking forward to seeing everyone again in our great Pavilion.

Even though we are a small village we have a great social agenda to look forward to but..... our Events Committee does need some help to ensure we keep our social calendar as vibrant as in previous years.

The Events Team are looking for more volunteers to join our Committee and to assist during the 2024 season in order to keep our events running smoothly. We have had to take the decision to scale back Friday nights during August due to lack of pairs of hands, and we will need to consider carefully whether events such as the Annual Easter Egg Hunt can go ahead with fewer people helping.

If you can offer any time to help the Events Committee for the 2024 season, we would love to hear from you. Please contact Dave Reynolds at reynolds711261@outlook.com.

There is a lot to look forward to this summer and Events kick off with our annual spring Fish and Chips Quiz on Friday 15th March (£12), please contact Twinks on 01491 651548 to book your table.

We very much look forward to seeing you all at our Friday night socials which start on 19th April with our traditional Bangers and Bubbles evening. Please do watch out for updates on Facebook.

Parish Council Meetings

It's been great to see more people getting involved in parish council meetings recently; its important we hear your views. For those of you new to the village, just a reminder of how the process works.

Dates of upcoming council meetings

Meetings are held monthly; with the exception of August and January, which are on an as needed basis.

The dates for the remainder of 2024 are as follows:

Thursday March 14th

Thursday April 11th

Thursday May 9th

Thursday June 13th

Thursday July 11th

Thursday September 12th

Thursday October 10th

Thursday November 14th

Thursday December 5th

Checking what's on the agenda for council meetings

Agendas for each council meeting are posted 3 working days before a council meeting on the village noticeboard and a copy is also included on the village webpage.

If there is a topic on the agenda that we think a broad cross section of the community will want to input into, we may also post details of this on the village Facebook page.

Requesting agenda items

If you have a specific concern you would like raised at a parish council meeting, you should contact a Parish Councillor. It may be helpful to email the parish clerk parishclerk@moulsford-pc.org.uk, as well.

Closing date for requesting new agenda items is 2 weeks before the council meeting (as we need to formally publish the agenda to all villagers a minimum of three working days in advance of the actual meeting).

Attending council meetings

When attending council meetings, be aware that we often have a full agenda and therefore need to limit the time dedicated to the topic on which you want to contribute.

Meetings can be adjourned for a 15-minute session for parishioners to raise matters, although individual contributions should be kept under 5 minutes. The public may participate with the Council's consent: please email the Clerk with any contributions relevant to items on the agenda.

Minutes for council meetings

Minutes for previous council meetings are posted on the pavilion noticeboard and on our website.

Update on speed restrictions in Moulsford

Following the 20mph survey responses and input from the last parish council meeting, the majority of Moulsford villagers who responded to the survey feel that we should focus on speed restrictions throughout the village, including electronic speed signage, as well as ensuring drainage issues and potholes are addressed.

Playground inspection

We're pleased to report the annual playground inspection to ensure the equipment on the recreation ground continues to meet safety criteria was carried out recently.

No major points arose but it was noted that:

- We will need to treat the tiles surrounding the equipment to ensure they do not become slippery and the tiles are securely fixed in place.
- The picnic tables in this area are beginning to degrade. One table has been removed, leaving supports for the benches exposed and some of the wood for these structures has rotted. We will be aiming to replace these in the near term.
- The wooden playground equipment is showing signs of wear and tear, including a build up of algae and moss on surfaces. Ropes and nets are considered safe but should be regularly monitored.
- We were advised fixings and wood need to be checked on a continual basis and worn out elements repaired or replaced.

The report will be on the agenda for the next Parish Council Meeting.

From the Vicar

Rebecca Peters

Dear Friends,

After all the rain, it has been great to see the Spring flowers opening and being able to get out into the garden, enjoying the beauty of creation. What a wonderful time of year this is!

However, this is also a deeply disturbing season. As human beings we have the capacity for immense good, for friendship, kindness, compassion and love, and incredible self sacrifice on behalf of others. Sadly we also have a darker capacity for hatred, evil, greed, unforgiveness and holding grudges, of inflicting hurt, harm and distress. Our televisions and newspapers so frequently carry stories of people's inhumanity to fellow human beings, of brutality, cruelty and worse. It is disturbing, because we can often recognise this darker side in ourselves and in others, in families, and in community.

However, there is always hope. Christ came to celebrate the good in human life and to deal definitively with the bad, dark and destructive side of the human soul.

The events of Holy Week, which culminate in Christ's cruel and undeserved death on a cross, are far more than a human tragedy. Through this event, God was doing something truly amazing he was uncompromisingly dealing with the root of human rebellion and evil and - paying the dreadful price that turning our backs on God deserves – His life in exchange for ours.

But why do we ask, did God go to such lengths? The answer is simply love. His love for you and for me, for the whole of creation. He longs to restore us to the full dignity that is ours as beings made in his image. From Christ's amazing sacrifice flow the realities of forgiveness, peace, transformation and new life. Evil and death are conquered. Easter guarantees that goodness, hope and life are victorious and resurrection is assured.

This year we celebrate Easter with a Passion Sunday service on 17th March 9am, Palm Sunday Communion 24th March 9am and **Easter Day Holy Communion 31st March 9am.**

You are more than welcome to join us in celebrating this joyous occasion.

God Bless, Rebecca Peters - Vicar

Wallingford Local Producers Market

Wallingford Local Producers Market (WLPM) is held every Saturday morning from 10am to 12:30pm.

Markets are held in St Mary's Church in the centre of Wallingford. Usually, our food stalls can be found outside with our craft stalls inside.

We champion local farmers and vegetable growers, cheese-makers, bakers, and makers of honey and preserves. Every market has a range of craft stalls including textiles, jewellery, ceramics, art and photography, all hand-made by local people.

Moulsford Author to release Song of Love

On March 1st, I had a book published with my co-writer, Pat Abercromby, who is already a published author. It is called Song of Love, comes under the genre of Romantic Fiction and is set in the world of opera and music. I would like to think it gives a broad scope of the international and national lives of singers, all wrapped up in a love story.

I lived in Goring for 21 years, before moving to Moulsford seven years ago. I trained as a singer and was active vocally around the area, taking solos, singing in the church choir, and teaching many people in the locality.

The manuscript has certainly taken a while to see the light of day! Pat found it languishing in her attic when she moved house two years ago, so we decided to resurrect the story, first begun 32 years ago! It is available now on Amazon.
