

LYMINGTON CARE GROUP

Suggested donations effective 1 July 2026

Lymington Care Group is a registered charity and like most charities, we rely on donations to fund our provision of transport facilities for hospital and similar appointments

What it costs us:

Our drivers give their time freely and we reimburse their mileage and expenses incurred in carrying out drives. We also incur administrative costs in running the Group.

Donations:

We are often asked for guidance as to how much to donate. The table below gives our 'suggested donations' for drives to typical destinations, given as examples.

Within Lymington and Pennington	£4
Milford Brockenhurst	£7
New Milton Barton	£9
Highcliffe	£13
Hythe	£15
Christchurch	£17
Bournemouth Ringwood	£20
Southampton Romsey	£25
Fordingbridge	£27
Chandlers Ford Poole	£30
Winchester Salisbury	£37
Whiteley	£40
Portsmouth (Queen Alexandra Hospital)	£50
Basingstoke	£63

For other destinations, our co-ordinator will agree a donation.

If an appointment is likely to require a wait of longer than 2.5 hours, we may ask the client ask to make a second booking for the return journey as, in fairness to our drivers, we may have to allocate a different driver for the return. In this case, the suggested donation for the second journey will be 50% of the amount listed above.
