Last week I wrote (on web site) that Brwtr A on paper had an easy ride v Well A who had yet to win but added

Bye Taunton B
there was no such thing in the WSBL.

As you can see I was right! Sadly I have no idea of the rink scores to gauge how close was the match.

In the Derby at the Deane Taunton A mastered Deane A despite dropping a 7 on one rink and missed out on a 12 pointer by 1 shot. Well done.

Drama with the B teams in that it was a perfect draw 43pts each and 1 rink apiece I drawn for 6 points each. Not sure whether this is a unique result. NP A at 60 -46 look clear winners but 1 shot up & 1 shot down on the rinks tells a different story. Have Vic Pk have shaken off their losing streak?

In Div 2 How those rink points add up. A drawn rink at BoS saw Eastover B get 1 point and at Vivary park Eastover A lost out on 2 rinks but won the match.

Just one 12pointer this week, my but it's tough in the WSBL .. Enjoy your bowls Watch this space. Alan
