PARISH COUNCIL

CHAIR'S UPDATE

Hamdon Youth & Family Centre: As promised in the last newsletter, the former Methodist church in West Street has now been formally 'handed over' by the parish council to the new Management Committee representing the groups using the Centre. The Parish Council will continue to take overall control over the coming redecoration and building of new internal facilities, but the Committee now runs things day to day. Three parish councillors sit on the Committee alongside residents to support and help set up all the policy and regulation paperwork and financial systems. A very successful Open Afternoon was held on Saturday 30 March, hosted by the Guides, Brownies and Youth Group. Thank you to all of you who provided cakes! Leaflets were handed out showing where all the new facilities would be in the building; and display tables showed some of the activities the groups take part in each week. The brightly coloured tables and chairs were much admired. Our thanks go to Moira at Stable Design for kindly designing our fantastic new signboard and logo for the Centre and also to the Working Men's Club (and its firemen!) for their support on formal fire risk assessment documentation and equipment.

Unfortunately, we have lost our volunteer who Are you a local tradesman? Builder, plasterer, plumber, painter, electrician? Are you able to volunteer to in your spare time to refit this worthwhile new community venue? If you'd like to help out, please contact me (details below). Are you a resident and would like to support us by making a donation to the Centre? You can put donations through my door (details below). Any cheques should be made payable to Hamdon Youth & Family Centre Trust. Your help, of whatever kind, will be most warmly welcomed and appreciated by the Committee and the children. Thank you.
