Subject: Invitation to District Superintendent Lou Provart District Briefing 15 December 2020 7pm

Importance: High

G Good Afternoon

On Tuesday 15th December Superintendent Lou Provart, the new District Commander for Breckland and West Norfolk will be holding a strategic level briefing along with the Local Policing Inspectors and Operational Partnership Inspector. The briefing will be held virtually at 7pm on Microsoft Teams and the session will run as a webinar type meeting with attendees given the option to ask questions via the chat facility, only the panel microphones will be active to ensure everyone gets the chance to ask a question.

Due to the limit on numbers we have on the Teams meeting we are asking that Parish Councils send a maximum of 2 representatives, and Swaffham, Watton, Dereham, Thetford and Attleborough Town Councils send a maximum of 4 representatives. All Borough Councillors and County Councillors with responsibility for various wards in Breckland are invited to join, as well as one representative from our partner agencies.

To help me organise this briefing please could I ask for all names to be sent to me no later than Friday 11th December. On Monday the 14th December I will send out a link to all attendees for the Teams meeting which should last approximately 90 minutes.

If anyone does not have Teams a free version can be downloaded from the internet onto smart devices which will then allow you to join the meeting using the link I provide.

If you have any questions please do not hesitate to get in touch.

Very kind regards

Paula
