<u>ITEM</u>	<u>ACTION</u>
2022/55 Apologies Apologies – Councillor Verth - Holiday	
2022/56 Public participation Bob Young came to report the issues that he and other properties have been having with STWA. STWA need to adjust the water pressure as the joints keep blowing due to the high pressure. There have been 5 occasions since 2015. Mr Young already has a pressure reduction gauge. Could the Parish Council write to STWA with the concerns and ask what can be done for the properties at the bottom of the hill. The length of the pipe could be causing the issue. Mr Young has replaced his pipes, but it is still happening. The problem seems to coincide when STWA do any works. Can the pressure be Reduced? Clerk to contact Customer Care	<u>Clerk</u>
