3. Presidents Report

Not a lot to report as we enter 2025 the club's Centenary year I am looking forward to a great year and hope I will be up to the faith the club has put in me. Thanks to everyone who ran the two pre-Christmas events the Christmas draw, and choir night was once again a great success, as was the pre last quiz of the year.

January has seen challenges on the lower green due to weather and we should commend the greens committee for their vigilance in ensuring the green is a safe environment to carry out bowling on.

We look forward to the first friendly of 2025 at home against Porchester on the 29th hopefully a win will be the first of many this year.

4. Secretary's Report

I would like to thank the Greens Team who have managed the recent spell of cold weather as best as possible, we can only update members as close to the start time as possible as things change significantly depending on the "sunshine"

Our current Winter membership sits at 150 and soon we will be opening the doors on the summer membership, Fingers crossed for a successful Centenary.

I am very pleased to say that Kim Martin has stepped into the role of Webmaster, and she will be working hard on updating our current website The county affiliation and Competition portal goes live on 27th Feb and Graham and I will be working hard together to load all members onto the new Portal.
