

EAST LULWORTH PARISH COUNCIL

Minutes of the Parish Council Meeting of East Lulworth Parish Council held on
Thursday 26th November 2025 at 7.30 pm in the Harness Room

Councillors

Present: Matthew Barnes (Chairman)
James Weld
Annie Lovelass
Louise Wathen
Fiona Fryer
Nicky Northover

In attendance: Dorset Cllr Beddow
Liz Maidment (Clerk)

25/26/043 Public Participation Period

No members of the public were in attendance.

25/26/044 Apologies

Apologies were received from Cllr de Hauteville Bell and Dorset Cllr Baker

25/26/045 Declarations of Interest and Grant of Dispensations

Cllr Weld, Item 6 Planning Application and Item 8 Camp Bestival.

25/26/046 Minutes of the previous meetings held on 18th September 2025

It was resolved that the minutes of the meeting held on 18th September were an accurate record of the meeting and were duly signed by Cllr Barnes. It was noted that the litter from Camp Bestival was cleared up.

25/26/047 Unitary Councillor Report

This was circulated prior to the meeting.

- a) Dorset Innovation Park has launched a new company named Dorset Innovation Park Ltd, which is established to accelerate the site's transformation into a hub for advanced engineering, defence technology, and clean energy innovation.
- b) A new type of asphalt will be used on roads, which operates at a cooler temperature of 140°C. This is significant because the energy-efficient asphalt cools more quickly, allowing Highways to reopen roads sooner.
- c) There is a campaign to publicise Pension Credit. Dorset Council is urging residents over State Pension age to check if they are eligible for financial support that could mean they are £75 a week better off.
- d) It was noted at the Slurry Lagoon Committee meeting that the key stakeholders are working well.
- e) Coombe Keynes held a meeting with the Community Highways Officer, during which they agreed to refresh the "slow" signs, and the drain at the "S" bend has now been cleared. Due to increased traffic, they will apply for a 20mph speed limit through Coombe Keynes. It was also discussed that the rest of the road should have a 30mph limit, as it is likely that motorists may speed up after passing the 20mph zone. Cllr Beddow will email the Road Safety Team to request that they assess the entire area.

25/26/048 Planning Applications, Planning appeals or Tree Works

Proposed Upgrade To Existing Radio Base Station Installation At 12472, Land At The Lulworth Estate, Burngate BH20 5QSNgr: E382616 N081570). **Noted.**

25/26/049 Highways and Footpaths

- a) **Bypass update**
No update
- b) **Community Speedwatch**

The Speedwatch Group has not conducted any sessions recently, but they plan to hold one over an upcoming weekend, depending on the weather, as the sessions cannot take place in the rain. There was a countywide Speedwatch event on 15th October, during which two police officers checked vehicles in East Lulworth.

c) **Speed Indicator Device**

Funds have been ringfenced for the purchase of a Speed Indicator Device, which is hoped to be brought during the next financial year. The budget will be discussed at the next Parish Council meeting.

d) **Road Markings**

These works have been scheduled.

e) **Signage Improvement**

No update

f) **Speed Survey Results**

The results of the speed survey were read out to the Parish Council. There was a delay in conducting the survey because one of the devices on the Coombe Road was vandalised, and another was unplugged and switched off. As a result, the entire process had to be rescheduled from the summer holidays to the October half-term. Although the site on the B3070, located east of the village, does not fully meet the criteria, it is very close. Therefore, Highways will not prevent the Parish Council from installing a SID there if we choose to do so. Additionally it was noted that the eastbound vehicle movements at this site are nearly double those of the westbound movements.

25/26/050 Camp Bestival

There are no details at present as to when the wash up meeting will be.

25/26/051 Articles for Lulworth Parish News

None will be submitted this month. It was discussed if there should be another carol singing evening to carry on Paul Pinnock's legacy. It was agreed that Cllr Lovelass would arrange the route. Date to be agreed.

25/26/052 I.T. Policy

It was proposed by Cllr Lovelass and seconded by Cllr Fryer to formally adopt the I.T. Policy which was circulated to the Parish Councillors prior to the meeting. It was duly signed by the Chair.

25/26/053 Correspondence

- a) Salt bins and Dumpyp bags 2025/26 season. All community bins that are emptied over the Winter season after the initial fill will be charged as per last year if a refill is needed. **Noted.**

- o) Proposed Temporary Closure Of B3070 At Holme Level Crossing. These works are programmed to commence between 23:45 and 06:00 from 26th January 2026 until 28th January 2026. **Noted.**

25/26/054 Consultations and New Items for Discussion

- a) Minerals and Waste Consultation 2025. Reviewing and updating the Minerals and Waste Plan will help us decide how much minerals should be produced over the next 15 to 20 years and where (in Dorset) it should come from. Consultation closes 25th November.
<https://consultation.dorsetcouncil.gov.uk/minerals-and-waste/consultation-2025/consultation/intro/> **Noted.**
- b) Survey from Age Friendly Dorset. The survey is for all adults 50 years and older. It covers 8 key areas of life, from health and housing to social life and employment. It will provide us with a well-rounded picture of what life is like for people, as they grow older in Dorset. Closes 19th December
<https://consultation.dorsetcouncil.gov.uk/adults/age-friendly-dorset-2025/> **Noted.**

25/26/054 Finance

a) To note the following receipt

To note the following receipt
2nd Half Precept

£1500
