

For the attention of Tichborne Parish Council

5<sup>th</sup> April 2023

To Whom It May Concern,

Please accept this letter as a formal application to be considered for a grant to assist with the costs of one of our current projects.

As a committee we have highlighted that we do not currently provide adequate disposal points that are large enough for our current membership nor do they provide waste separation so that recyclables can easily be separated.

To overcome the issue, we would like to purchase some new bins to provide two new adequately sized and clear disposal points, one for general waste and the other for recycling. Quotation attached.

We hope that this is a project you can support and look forward to hearing from you in due course if we have been successful.

Kind Regards

James Long
