Village Hall News

As we come out of summer (if we can call it that), light on news but an urgent call for volunteers...

We are always looking for volunteers to help with the running of the Hall in general. But with some potential committee changes, we are looking for one or more people that could assist or even look after some of the more technical aspects of the Hall which include managing or overseeing:

- Our cloud storage on OneDrive and Dropbox
- The cliddesdenhall.org.uk domain and its mail aliases/forwards
- The broadband and wireless infrastructure along with its integration with the CCTV and building alarm

So some tasks for one or more people who are comfortable with IT technology.

If you are interested in this and can help, or are just looking for something to do in the village for the good of the village, then again drop us a mail at volunteering@cliddesdenhall.org.uk.

As always, remember to visit the Hall's website at www.cliddesdenhall.org.uk and Facebook page at www.facebook.com/CliddesdenVillageHall for the latest news.

Hello from Claire!

What a year for blackberries!

However much we moan about the rain, it has meant a bumper crop of big, plump and juicy fruit.

And, of course, the fingers stained red, stinging nettles and scratches, and the excuse to go for a long walk.

Jam, jelly, crumble, or my personal favourite, Blackberry Wine 😊

Random facts about Blackberries:

Blackberries are not botanically classed as 'berries' they are in fact an 'aggregate fruit' composed of 'drupelets'

Himalayan Blackberry is classed as a noxious weed, and an invasive species in Canada and North America.

The term 'bramble' refers to any impenetrable thicket, while a 'briar or brier' can be used to describe the dense vines, it can also be used to describe other thorny thickets.

Folklore in the United Kingdom and Ireland tells that blackberries should not be picked after Old Michaelmas Day (11 October) as the devil (or a Púca) has made them unfit to eat by stepping, spitting or fouling on them.

It does mean that Autumn is on its way, and with it all the glorious colours of bronze, gold and brown as the leaves die and fall.

If you are building bonfires watch

out for hedgehogs.

Soon be Christmas

What's been happening?

Weelll – not a lot really!

We've enjoyed a break ourselves, after the fabulous Summer Show.

Time to catch up with our own gardens.

Back into the swing of things with

What's coming up? Last meeting before the AGM!

Thursday 28th September Cliddesden Millennium Hall 'Terry's Favourites' – Terry Baker

As it says in the title 'Terry's Favourites'!

Don't be fooled by the name though – Terry and Mary of the Botanic Nursery are 'Holders of the National Collection of Foxgloves', so I think we are in for a treat.

Come along at 7.30 for refreshments, bring a friend, and we look forward to seeing you there.

Thursday 30th November Cliddesden Millennium Hall 7.45pm

YES! IT'S AGM TIME

Members only for tonight.

A round-up of the years activities, confirming committee members, any announcements – sounds very dull and boring!

But it isn't 😊

The official part of the AGM doesn't take long, then begins what we're really there for.

Food, wine (or soft drinks), the quiz, and chance to have a good old natter with friends.

We look forward to seeing you there.

And then it's 2024, with a whole new year of speakers, shows and visits to bring you joy.

New members are always welcome, whether you are a keen gardener, or can't tell your pansies from your petunias.

Email Steve Bowcutt on stephen.bowcutt@outlook.com to join.

See you soon
Happy gardening!

CLIDDESSEN

Well we all had fun at our September Birthday meeting making Bees Wax Candles with Brian Graham.

He did put a little pressure on us when he said he expected us to match up to a group of Brownies he had taught who were exemplary! We needn't have worried as his instructions were very clear and concise.

We all enjoyed the session and went home with 4 candles – not fork handles! Brian bought along lots of scented candles – some in novel containers for sale and some of us bought extra kits as presents as well.

A couple of our members Wendy and Muriel have had falls recently and are recovering from broken bones. We wish them both a speedy recovery.

Speaker: Jackie Dimmock

Jackie, a retired policewoman, will be coming back to give us her second talk about her life in the police force illustrated with miniature quilts she makes. Come along if you are interested.

On 31st October we will be holding another Crafty Lunchers Day where once again we will be making cards followed by lunch. Cost £15. It is always a relaxing day where Catherine brings along lots of sample cards as ideas for us all and there are a lot of materials to choose from to make our creations.

Everybody is welcome so if you want to come along and have a go and make new friends just let me know. (By 27th October would be helpful for catering purposes).

Tony Trown, from Hackwood Lane, has just returned from his annual 'Airborne March' in Arnhem, Holland, in which he has participated for the last 40 years.

The march is to ensure that, just like the Dutch, 'We Will Never Forget' what happened to these wonderful people when they were occupied when the Germans took their Country from them.

We assisted them to gain freedom, and to this day they turn out in their thousands to thank us for freeing their Country.

The March has always welcomed people, especially from our own Armed Forces, also from America and other countries, to attend this wonderful event and ensure that we will never forget what they had to endure.

It has been a privilege for me to have been welcomed to their homes where it has been greatly appreciated.

My 40th March Medal now hangs in my 'trophy hut' but will always be taken out and hung from my uniform, still allowed to be worn by me by order of their Committee, which is greatly appreciated.

Let's hope my still polished boots will carry me around the course next year!!!! *Tony Trown - 1 Hackwood Lane*

Feedback from patients:

Many thanks to those of you who have completed the short on-line survey and it is now closed. The results are :

- 23.1% currently use the App. and find it easy to use.
- 33.1% currently use the App. but DO NOT find it easy to use.
- 28.1% have tried using the App. but do not use it anymore.
- 15.6% have never used it.

Looks like our Dr.iQ training team may have their work cut out if CGHB want more of us to use the App. and perhaps persuade Operose (the developers) to make it more user friendly!

Following the success of this survey and in anticipation of the proposed meeting being hosted by Maria Miller M.P. in the Autumn between CGHB patients and some of the CGHB doctors, admin staff and practice Manager, we thought it might be of interest to conduct a further quick and easy on-line survey about how we all feel about the medical attention we receive and the administration of the surgeries. To this end perhaps you would kindly follow the link below and leave your opinions, it should take more than a couple of minutes. Use either link, whatever works for you:-

Dr.iQ Training

Our digital team continue to meet with CGHB to finalise this important aspect of the further roll-out of the App. Progress is slower than we would like but we should see the fruits of this collaboration soon with workshops being set up in all the surgeries.

Surgery Notice Boards

The holiday season has also slowed this initiative down a little with CGHB staff taking the opportunity for some well-earned down time but we should see the results of the clean and tidy up of the notice boards over the next couple of months.

Membership of the PPG

Membership of the CGHB PPG is open to all patients of the CGHB surgeries. If you'd like to join as a general member or feel you would like to help in a specific task, please drop us an email using the address above and we'll talk you through the simple process of formally joining the group.

CGHB Patient Meeting hosted by Maria Miller MP

A date has yet to be finalised but it

looks likely that this will occur during October at a venue yet to be announced. Details will be published nearer the time. All CGHB patients will be welcome to attend.

Surgery Update From CGHB

Future of Operose in NHS England

Many of you will have seen the recent Basingstoke Gazette article regarding the sale by Centene (an American New York listed public company) of Operose, its UK Healthcare operation.

To gain some clarity as to what this change of ownership means for CGHB patients, the PPG met with two representatives from the Hampshire and Isle of Wight Integrated Care Board (ICB) and has been reassured that the potential sale of Operose will not put patient care at risk. The responsibility for the provision of clinical services at Camrose, Gillies, Hackwood and Beggarwood (CGHB) remains with the partners of CGHB and this will not change.

This proposed change of ownership of Operose is by no means imminent, indeed it could well be some months or even years before this sale is finalised. However, the situation for the healthcare of CGHB patients will not change. The Integrated Care Board, which is a statutory NHS organisation responsible for developing a plan

for meeting the health needs of the population, managing the NHS budget and arranging for the provision of health services in a geographical area, does not hold a contract with Operose Health. The ICB's contract is with CGHB to provide primary care to the 50,000+ patients on its books.

It is the CGHB partnership of GPs which has taken out a contract with Operose Health to provide central support services to aid their deliverance of primary care for their patients. This can include IT support, finance, analytics and insight, HR and recruitment, tech and digital including Dr iQ, training and additional clinical and admin support.

Therefore, to summarise, the change of ownership of Operose Health by Centene does not mean that CGHB patients' healthcare is for sale. It could mean that the support services provided to the practice could change once a new owner for Operose is found, but this remains to be seen. However, the PPG has been assured that responsibility for our healthcare lies with the GP partners of CGHB and that this will not change.

This is a message from Dr Anna Reed (one of the partners of CGHB) to all patients of CGHB:

"Dear patient

You may be aware there has been some speculation about the future ownership of Operose Health. I would like to reassure all our patients that we will continue to provide patient care and services as usual at our four CGHB sites. At the same time, Operose Health continues to invest in more staff and new technology to get you seen as quickly as possible. There are no plans for this to change in the future.

Dr Anna Reed GP (partner)"

The PPG will update you from time to time when we know more about the sale situation but in the meantime, we hope this information goes some way to reassure you that things will not change with regard to the day-to-day operation of our practice.

Covid and Flu Vaccinations

The roll out of this dual program has probably already started by the time you read this Newsletter as the program is due to start w/c 11th September. Patients will be

contacted by text, phone or letter inviting them to clinics to receive both vaccinations. Those who cannot attend the clinics will be contacted and a home visit will be arranged along with visits to Care Homes etc. Please be patient and wait for the contact as it will not be possible just to phone the surgery and ask for the vaccinations.

Complaints

For Beggarwood and CGHB complaints, please visit the CGHB web site to register your dissatisfaction. The web address is

<https://cghpartnership.co.uk/about-us/comments-and-complaints>

CGHB employ a full time Patient Experience Manager and so you should get a speedy response and certainly an acknowledgement within 3 working days. If you are not satisfied with the way they have dealt with your complaint, you can contact the Parliamentary and Health Service Ombudsman to review your case on 0345 015 4033 or via their website:

World Sight Day 2023

Thursday, 12th October — 9am-3pm
Central Square, Basingstoke

**43 million people in the world are blind
1.2 billion need glasses to see better**

World Sight Day, now in its 11th consecutive year, comes once again to a stand in Central Square, Basingstoke – between Primark and Costa - on **Thursday, 12th October** between **9am – 3pm**, courtesy of **The Basingstoke Lions Club** and offering a display featuring information regarding sight loss and small items of equipment to help the visually impaired with some of the practical aspects of daily living.

As with each year, people are invited to take along their redundant spectacles – prescription, non-prescription and sunglasses – for forwarding to the Lions Club of Chichester who will sort and distribute, e.g. gold rims are sent for melting down for the gold and

vintage/designer pairs are sold on Ebay. The remainder are then sent to Medico France in Le Havre who have the necessary equipment to clean and grade the spectacles, ready for use in eye camps in Africa, India and Eastern Europe.

Around 1/1.30pm the Club's very own "Lennie the Basingstoke Lion" may be spotted 'on the prowl', when he drops in on Leightons, Vision Express and Prime Opticians in the Town Centre to collect the haul of spectacles already donated by their own customers.

In addition, the Lions will mount a spectacle collection point in **Morrisons Supermarket** from **Monday 9th - Sunday 15th October**, thus providing an alternative option

for those who might find that preferable.

On a global scale, the aim of this day, on which Lions Clubs around the world conduct various sight-related projects, is to focus attention on the universal issue of avoidable blindness and visual impairment and thus raise awareness about the importance of eye health and the need for quality eye care services for all.

A pair of spectacles can make the difference between supporting a family or starving; if of no use to you, please bring them to us – thank you.

(Note: Please - no spectacle cases)
