### OUR AUSTRALIAN FRIENDS.

We will be very sad to lose our new-found friends, Simon and Debbie, who have been living in Kirton, at 'Hillcrest', for several months, on an exchange visit from Australia. They have attended many Church services and social gatherings, and have become very popular in the village community! They are due to return to Australia at the end of March, and we will miss them greatly. God Speed on your trip back home, thank you for your friendship, and remember, you will always be sure of a warm welcome should you ever return to Kirton in the future!

### CHURCH CLOCK

The PCC has now been granted a faculty to carry out the repair work on the Church clock. As many villagers will know, the clock has not been accurate for some time. An investigation was carried out by a Mr Hutchinson, who came from the Diocese, (with regard to the faculty application.) He was very impressed with its quality, but suggested that it would benefit from a good clean - and, needed to be rewired. The work will be carried out any time now, by a firm called 'Time Assured', after which hopefully, it will give the correct time once more!

### THIRD TIME LUCKY !

The new date for the litter-pick round the village is Sunday, April 15th - 11am - meet at Hall farm. Prepare for snow-storms, icy blasts, hail, sleet and everything the 'beast from the east' can throw at us!!! -but, hopefully not this time, and third time lucky !

HAPPY EASTER EVERYBODY,
