

Christmas isn't cancelled

It's true that Christmas will be a bit different this year but the good news of Jesus coming to dwell among us that first Christmas Day remains as remarkable and powerful as ever.

As a church we are planning a series of activities and services (both online and in person) which we hope will bring you both **comfort** and **joy** this Christmas.

For more information about our Christmas events and resources please grab a flyer from one of the village shops or the church porch.
