Site Address

MOD Lyneham,
Calne Road, Lyneham, Chippenham

SN15 4XX

Application Type

Prior approval Part 19 Class TA: Development by the Crown on a closed defence site

Council Response

Comment Only

The Council holds concern over noise issues as this proposal is close to the Bakersfield housing estate. The Council also believes there is an issue with the fact the proposal shows the existing car park is the site listed to be built upon. It is therefore unclear where a new car park will be placed. The Council would be opposed to having a car park between the block and the Bakersfield Estate. With the planning application for two more blocks being applied for, it raises the query of where MOD staff are going to park to use this facility? If this plan is approved the Council asks that assurance is provided that appropriate car parking will be provided to facilitate the use of the building. Although not listed on this planning application the Council requests that a bund be built to deflect the noise from the Blocks. This Council has had previous complaints of noise pollution including swearing from the camp and would suggest this as a natural noise barrier to minimise ongoing issues.

Site Address

Council Response

Public footpath as part of the entrance. The access is a single-track lane where there is also another business further down the lane gaining access from that point. This means the track will have increased traffic on the access lane and on Barton Close. The area is highly residential with children playing. Concerns over the shared access. The Council feels that one property is more advisable and would like highways to review. There is also a concern over loss of trading area.

CM22/010

TO RECEIVE, FOR INFORMATION, THE CLERK'S REPORT

EM reported that she had received a phone call from WC re a planning application which will have s106 against it. WC are looking to identify areas where s106 money could be used. EM advised that the Council should look at building a list of potential improvements that s106 money could be applied to.

If the planning request went to appeal, then it would be too late to attach s106 wording. Council will look at this in future meeting.

All towns/parishes in the RWB and Cricklade Community Area are invited to send representatives and we are currently working on producing a booklet containing information on social activities in the towns/parishes currently taking part, of which Lyneham and Bradenstoke is one, and support organisations.

The booklet is a result of the first meeting where communication, or lack of, was the main concern.

Information on activities etc has been collated and the booklet design is being drafted by a volunteer, thank you to them for their valuable time and expertise.

Funding and distribution of the booklet will be discussed at the next meeting on 27th April 2022.

Other concerns raised by the group are:

Transport
Isolation issues
Loss of facilities e.g., closure of banks

On the subject of transport, there is a bus route, Service 60, that runs on a Friday (School term time only) from Sutton Benger to Swindon via Bradenstoke. Timetables will be posted on noticeboards and bus stops in Bradenstoke and Lillybrook.

Update for Lyneham and Bradenstoke Parish Council April 2022

Wiltshire Council

Area Boards

The next formal meeting is **June 15th 2022** at Lyneham Primary School. All welcome.

Recovery Project

The Area Board is currently looking at a number of working groups, including older and vulnerable people, young people, the economy and the environment. We are also looking at restarting a town and parish council forum if there is sufficient interest.

Community Area Transport Group (CATG)

This will meet virtually on Wednesday May 18th at 1800 via Teams. The format of the CATG will be expanding to include Footpaths and other matters. It will also be renamed and have more money to invest. More details to follow when they have been finalised.

Community Safety Forum

Thank you to Cllr Glover for attending these meetings and sharing the information. The next one will be Friday May 13th.

Local

Lyneham Banks

I am in regular discussion with the relevant officers. Please see separate update.

Clack Hill

Residents have raised concerns about possible planning breaches on Clack Hill which are being looked into by the Planning Enforcement team. A planning application is anticipated for new stables and fencing to be erected. No planning permission is required for installation of electricity or for the storage of a caravan.

NB – I have been informed that BT is likely to be seeking a road closure of Clack Hill in order to re-route the cables which previously ran down the B4069. No dates as yet, however officers are aware that disruption needs to be kept to a minimum.

Medical Provision

I have repeatedly chased the NHS for details of their plans to cope with the increase in population in Lyneham, both military and civilian. This is now over three months and I have not had a proper response.

Road Works

People are now able to view roadworks on the One Network system. This also allows for traffic alerts to be set up and delivered to people's email addresses so is worth signing up for if you are a regular traveler!

<https://www.wiltshire.gov.uk/article/1260/Roadworks-and-related-information>

GREYHOUNDS - GRAIN BARN TOCKENHAM

Planning permission was refused and an appeal has been lodged.

The Planning Inspectorate reference is APP/Y3940/W/21/3289403 . Comments can be made up to 15th April.

MoD Lyneham planning application PL/2021/11690

I have had discussions with the MoD representative due to concerns raised by residents from Bakers Field. A copy of the update has been sent to the Parish Clerk, and I am happy to send to any other resident if they contact me.

- Restorative Wiltshire
- Reduce re-offending

Inspector Brain also ran through the details of the attached Powerpoint Presentation about our local Community Policing Team.

Questions /Points raised included:-

Cricklade asked about whether reports could be sent to the Town Council . Quarterly reports are provided to the Area Boards, but it would be good to have more localised reports for discussion at Town/Parish level (Tockenham reported that they do get this info from their PCSO)

Sue Hughes asked about information leaflets that can be given to teens.

Importance of working together with Danielle from The Rise Trust over ASB with young people.

Interest in Restorative Justice and Violence Against Women as future topics.

Question as to whether the police have any influence over the sanctions meted out by the Courts (no).

Is violent crime/criminality on the increase due to financial situation/cost of living? It would appear that this is the case.

Hate crime is back to pre-covid figures.

Another Cannabis factory has been located.

3. Police update – Inspector James Brain

Sgt Kate Smith unable to attend. She will be off on maternity leave soon, Sgt Jamie Bell will be covering for her.

4. DWFRS update – Dave Adamson

No fires, mainly co-responding which is very busy

RWB on call availability about 70%

Cricklade has 2 or 3 new recruits going through training.

There is a review of water carriers across the County, currently only at RWB and Wilton.

Tockenham - abandoned/broken down scaffolding vehicle in lay-by been reported to Wilts Council and police but still there.

5. Community Roundup

RWB – Allotment shed break-ins and drug paraphernalia found in and around sheds. Advised to report to 101 as there is intelligence being gathered about such break-ins.

Tockenham – concerns about the driver behaviour of agricultural vehicles which can be quite menacing due to the speed and size. Have reported to 101. Might it be possible to do some enforcement work and do some high profile publicity (post meeting, AB suggested working with rural crime/farm watch to raise profile)

6. Future Meetings:-

Second Friday of the month 1200-1300

Possible future subjects

Violence Against Women and Children
