

Hurstbourne Tarrant Parish Council

Annual Report 2017/18

Hurstbourne Tarrant Parish Council

Introduction

The parish of Hurstbourne Tarrant is located in the Bourne Valley in North Hampshire. It lies in a designated area of outstanding natural beauty that makes up part of the North Wessex Downs. There are three centres of population made up of the village of Hurstbourne Tarrant, the hamlet of Ibthorpe and approximately half the village of Upton. It is a small rural parish consisting of 385 dwellings with 648 parishioners on the electoral register. In 2016, the estimated number of residents in the parish (adults and children) was 851.

Although there are several local businesses, there is no major centre of employment. Public transport is limited but the area contains beautiful scenery and offers many footpaths and bridleways. Most of the areas built on within the parish of Hurstbourne Tarrant are designated within a conservation area containing a high proportion of listed buildings including several thatched barns and cottages dating from the early to mid-17th Century.

Some of main parish facilities include:

- Village Church of St Peter's;
- Church of England Primary school – approximately 109 pupils (2018);
- King George V playing fields, the recently built Community Centre, and Parish car park;
- Convenience store, tea shop, part time veterinary surgery, florist, and clothing shop – located at 'The Old Workshops', The Dene
- Village public house – The George & Dragon;
- Hurstbourne Tarrant Royal British Legion.

~~

The Parish Council is a small body made up of 6 councillors and it meets every month. The parish council comes under jurisdiction of Test Valley Borough Council (unitary authority) which in turn is part of Hampshire County Council.

Hurstbourne Tarrant Parish Council

For the financial year 2017/18, the council levied a precept of £14,850 pa (equivalent to £39.39 pa/household at band D rating) and on average year has an expenditure of approximately £16,500 pa. The council employs one person – a part time Clerk / Responsible Finance Officer.

The Parish Council does not operate any system of committees, given its small size; all business is transacted by the full Parish Council and occasionally working parties may be established to carry out specific project work. Each councillor has a portfolio of responsibilities which are assigned at the Annual Parish Council Meeting held in May.

~~

Elected Parish Councillors as at 16th May 2017

Ian Kitson (Chairman) – Portfolio: Allotments

Mark Thomas (Vice-chairman) Portfolio: Footpaths, Volunteering & KGV

Jamie Williams - Portfolio: Planning, Upton Village and Pill Heath

Louisa Russell - Portfolio: Hurstbourne Tarrant primary school liaison & play equipment

Mark Betteridge* – Portfolio: Transport, roads and road safety (CSW)

David Sullivan - Portfolio: Swifts

* Councillor Betteridge resigned at the December meeting in 2017. Councillor Ed Mills was co-opted in February 2018.

Hampshire County Councillor

Andover North Ward - Ms Kirsty Locke – Conservative

31 Cusden Drive, Andover, SP10 3TF

Mobile: 07868 981320, email: kirsty.locke@hants.gov.uk

Annual Report May 2018 – Councillor Kirsty Locke

It hardly seems possible that a year has already passed since I had the privilege of being elected as Andover North's County Councillor. Whilst much has been achieved, there is always more to do, and I am grateful to the Parish Council for their commitment and dedication to improving the area in which they live.

I thought it might be helpful to first outline the County Council's finances. The 2018/19 budget is as follows:

£860m Education

£628m Social Care and Adult and Children's Services

£143m Highways, Transport, Economic Development and Waste disposal

£53m Public Health

As well as an additional £540m over the next 3 years as part of the Capital Programme to build extra care housing, additional schools and fund additional school places.

The County Council's total grant loss since 2010/11 has been £219m. This, alongside further pressure from growing social care budgets and the introduction of the National Living Wage has meant a further reduction of £140m is required by 2019/20. The County Council is not legally able to run a deficit. With this in mind, Council Tax rose this year by 5.99% including 3% Social Care Precept. Despite the increase, Council Tax remains lower than in neighbouring Wiltshire.

Recipients of my Devolved Budget for 2017/18 were as follows:

Hurstbourne Tarrant Parish Council – Speed Indicator Devices

Youth Options – Hatherden Breakfast Club

Augusta Park Community Association - Maintenance

Andover Vision – Festival of Cycling

Hurstbourne Tarrant Parish Council

Test Valley Community Services – ASIST Suicide Prevention training
Andover Mind – Ugly Ducking
Brendoncare Four Corners Club, Andover
Hampshire BFC's – Antenatal Breastfeeding Education
My budget will reopen on the 1st June and I welcome all applications.

Over the course of the year I have reported potholes, chased officers for repairs to road signs, lobbied for additional signs particularly Deer Warning signs, fixed streetlamps, smoothed out the road surface between Hurstbourne Tarrant and Vernham Dean by bringing the drain covers up to the resurfaced road level, helped parishes with Speed Indicator Devices, attended litter picks, protected funding for waste disposal facilities, arranged for toilet refurbishment at Norman Gate School, attended the opening of a new County Council 6 bedroom young person care home in Andover, visited Endeavour School Breakfast Club, attended Bourne Valley Flood Alleviation Group meeting and persuaded Highways to go ahead with the much needed pedestrian crossing outside Roman Way School, work starting over the summer.

~~

Parish Councillors' reports for 2017/18

Councillor Ian Kitson - Chairman's Summary & allotments

It has certainly been a busy and successful year for the Parish Council. I was both surprised and honoured to be asked to take on the role of Chairman last April, from our respected and long serving Chairman David Sullivan. I thank him for the guidance he has given to me throughout this last year.

We had the unenviable task of finding a successor for our almost as long-standing Parish Clerk, David Baker, who had decided to retire after more than 15 years with the council. Myself and the rest of the Parish Council have been very grateful to David for his subtle and wise guidance to the Council through numerous procedures and formalities! I have certainly learnt a lot from him. We were very fortunate to recruit Mims Edwards to the role of Parish Clerk in

Hurstbourne Tarrant Parish Council

November, who most of the village knew beforehand, and she has taken on the new role with enthusiasm as well as studying for her Certificate in Local Council Administration qualification. Again, we are extremely grateful to David Baker for ensuring a smooth seamless hand-over as well the knowledge that advice is only a telephone call away!

We also said goodbye to Mark Betteridge as a parish councillor; a big thank-you to Mark for his work, especially persevering to obtain a second Speed Indicator Device. We subsequently welcomed Ed Mills to the Council, and for filling a long term aim of having a Councillor from Upton.

We have successfully completed several important projects this year, including fantastic new children's play area and climbing frame - the envy of many Parish Councils, and to the delight of our children. We have also installed a defibrillator outside the Rural Business Hub, purchased several benches, set up of the fantastic HBT Swifts social group, as well as starting regular Parish Newsletters, revising the Village Directory, holding open evenings on a variety of issues, as well as regular communication with our higher-tier councils on numerous important matters. We have also started a wildlife conservation group, and a village charitable fund.

I would like to express my sincere thanks to all our Parish Councillors and Clerks and the many regular helpers who, without their tireless work, our Parish would be a much poorer place.

On a personal note I would be totally lost in my role as Chairman without the help and guidance of Mims Edwards, our new Parish Clerk (Hampshire Constabulary's loss was our gain), and our brilliant "ideas" man, Councillor Mark Thomas.

And finally, I am pleased to inform you that our Parish allotments remain fully taken with several new parishioners enjoying the challenge of growing their own produce ... once the weather improved and spring finally arrived. Demand was such that we re-let what was a previously dormant plot.

Councillor Mark Thomas – Footpaths, Volunteering & KGV report

Hurstbourne Tarrant Parish Council

Our autumn and spring working parties have been well attended, despite the March snows which resulted in us having to reschedule our Spring Clean day. Residents of all ages turned out to help collect litter, tidy up verges, trim, prune and strim to keep our villages in top condition. The Parish Council is grateful to villagers in Hurstbourne Tarrant, Ibthorpe and Upton, together with our loyal band of coordinators and of course Test Valley Borough Council which helps us with the loan of equipment and ensures that rubbish is collected promptly following the working parties.

These seasonal events are supplemented by occasional maintenance to play equipment and footpaths around the Parish. Thank you to all Parishioners who get involved and we are always keen to hear from anyone who would like to help with Parish Maintenance and volunteers for our various projects.

Unfortunately, during the year, we lost access to some popular historic permissive paths through a change in ownership of local land. The Parish Council tried to negotiate continued use for the Community, but sadly this wasn't possible. We are very fortunate to have a wonderful collection of rights of way throughout the Parish and do our best to ensure these are maintained to ensure they can be enjoyed by all. I would like to thank local landowners for their cooperation, together with Hampshire County Council which assists us with advice and practical assistance with more significant maintenance tasks.

This annual report wouldn't be complete without mention of dog fouling! Whilst the vast majority of dog owners in the Parish are responsible, we do have some 'hot spots' where dog mess continues to be a problem. We have organised poster campaigns to politely remind people of their responsibilities and the location of the seven bins that are available for disposal and we will be looking at other ideas to continue to target the problem areas in conjunction with the TVBC Dog Warden.

Following consultation with the community, this year saw the formation of the HbeeT Wildlife Group to help improve biodiversity

Hurstbourne Tarrant Parish Council

of our public areas. Initiated by the Parish Council, the group is now led by a separate Steering Group which has begun drawing up plans for several events and projects. This will include a guided bird walk with local ornithologist David Ellis on the 19th May and establishment of wildlife areas on Dene Green (kindly organised by Gary Edwards) and a corner of KGV Playing Field. These two initiatives will see the planting of nectar rich shrubs, installation of bird nest boxes and establishment of insect habitats and we are grateful to Councillor Ed Mills' business Living Walls for donating the plants. Later in the year the group is planning a wild flower walk with Peter Billingham and an evening lecture on bees.

Finally, on behalf of fellow Councillors and members of the community, I would just like to thank the Clerk for all she does to support our volunteer initiatives and to our Chairman Ian Kitson who stepped into a very big pair of 'Shepherd's Boots' taking over from David Sullivan. You are doing a great job Ian and we appreciate all you do to keep us on the straight and narrow and for the many additional hours you commit to your Parish duties and supporting the community.

Councillor Jamie Williams - Planning report

It seems the year has had more applications worth commenting on than in the past. Several listed properties have been upgraded in the Parish and this has led to contentious remarks from the Conservation Officers at TVBC. It seems though that with the help of Councillor Peter Giddings, common sense can prevail, and the near impossible job of balancing conservation and progress can sometimes be achieved.

It seems that the Conservation team prefer a 'small bites of the apple' approach to development of these listed heritage assets. However, the design ideas of today lead to wholesale changes to the buildings and it is this 'one hit' impact that causes the concern. Larger developments such as Adams Farm barn will lead to new dwellings in the Parish and although initially declined, the proposed development at Upper Ibthorpe Farm was left very much on the table by the Councillors.

Hurstbourne Tarrant Parish Council

The increase in new dwellings will lead to pressure on the infrastructure and using the planning legislation to protect the Parish will be very important. The proposed Village Design Statement will provide another tool in the armoury for developers and residents to set the standard for local development. 2018 will herald the start of this process and I am pleased to report we have had good interest from the Parish to form a working group to push this forward.

Recent changes in the National Planning Policy means permitted development changes in the rural areas have been revised. However, with our location in an Area of Outstanding Natural Beauty these changes will have little impact on us.

Councillor David Sullivan – SWIFTS community group

I, along with Councillor Louisa Russell, have taken responsibility for 'SWIFTS', the community group that meets monthly in the community centre. We hope it will become a focal group that not only gives an opportunity for friendship and conversation but will be able to be a route to identify any particularly elderly people who may need assistance. We are exploring ways to provide help, say, with transport and appointments and general neighbourliness without bureaucracy and formal arrangements. We have tried to recruit a Village Agent, a formal position, without success, so are endeavouring to establish a less formal route. A note of any need to the Parish Clerk, Mark Thomas or myself would suffice.

The Flood Action Group led by Gary Edwards is active regarding the village drainage, but I am still working to prevent silt deposit into the main river from Dunstons Lane (opposite the pumping station on the Upton road). Councillor Ed Mills, who has access to suitable plant, has offered his assistance for which I am grateful.

I conclude by congratulating the Chairman and Vice Chairman for continuing the 'can do' attitude that has been a feature of the Parish Council for many years.

And on a personal note, I would like to thank Mr David Baker, the retiring Clerk, for being the power to my elbow and a good friend in

Hurstbourne Tarrant Parish Council

the time I was Chairman. His expertise and procedural knowledge not only qualified us to be a Quality Council (now being superseded by the Local Council Award Scheme) but also kept me reasonably correct and out of trouble!!

Councillor Louisa Russell - Hurstbourne Tarrant primary school liaison & play equipment

The SWIFTS Social Group for residents of the Parish, which started in March 2017, has been running for just over a year now and continues to be a very popular initiative. The group meets on the second Monday morning of the month at the Community Centre with around 40 people regularly coming along to each session.

So, what does the acronym 'SWIFTS' stand for?

S Social - organising informal get togethers
W Welfare – watching out for people who may need help
I Independence - encouraging a network of local support
F Fun/Friendship - that's what the group is about
T Together - a community initiative
S Services - signposting services and agencies

And that's what Swifts is all about!

When it first started, those attending were asked what they would most like to happen at the sessions (e.g. just social, or occasionally incorporating talks from outside speakers about subjects of interest, demos of things like crafts, gardening and so on). By far the majority just wanted the opportunity to meet socially and chat with friends and neighbours from the village, and to meet those from the village that they had not met before – over coffee and cakes, in a nice warm and welcoming environment. And that has been the pattern since.

Since it first started, and at the suggestion of one of the attendees, a Book Exchange has been set up to enable people to borrow books brought in by people coming along to each session. David Sullivan occasionally brings in his trusty banjo and leads the group in a merry song or two and there are short announcements at each session to

Hurstbourne Tarrant Parish Council

remind everyone of up and coming village events that might be of interest.

On the welfare/support side, Swifts widens the scope for people to volunteer a little help to support others in the village e.g. if someone is unwell, doing a little shopping, temporary dog walking; or gardening for them, or giving them a lift to the hospital, shops etc – something that of course already happens between neighbours.

Financially, kind donors have paid for the hall hire up until the end of June 2018. Participants contribute £1 per person (or more if willing!) for coffee and cakes. These contributions are saved in a cash kitty which is ring-fenced for the Swifts group to re-invest into the cost of occasions such as the Christmas buffet lunch for the group held last year or for other possible initiatives - whatever the group thinks are a priority. As at April 2018, there was £141.20 in the kitty. It really is a community initiative which is going from strength to strength.

With regard to play areas, since the new equipment was installed, there has been very little work needed to keep things up to date. The annual safety inspections of all play areas are carried out each May/June and any recommendations by RoSPA are acted upon. The school have enquired as to whether temporary cricket nets could be sited on KGV, which could be used by everyone, but movable for events to take place on the field, so this is an initiative which could come to fruition in the near future.

As Mr Dee will be speaking at the Annual Parish Meeting, I have left all school updates for him this year, but we were delighted to see the installation of “Murdoch’s Cottage”, the half classroom funded by a donation from the late Mrs Dinah Murdoch’s estate, which will benefit all pupils.

Councillor Mark Betteridge – Community Speedwatch, road safety and highways report

The speed of traffic through Hurstbourne Tarrant continues to be a major concern to those living on or near to the A343 and to those

Hurstbourne Tarrant Parish Council

whose children walk to the school. This has been exacerbated on numerous occasions by roadworks and issues on the A34 which increases traffic volume due to the Newbury Road being a natural diversion. This was highlighted in extremis when recent heavy snow, coinciding with a diversion from the A34 following a fatal accident, caused mayhem in the centre of the Parish and huge traffic jams both ways through Hurstbourne Tarrant. Parish Council members and others joined forces to assist, and eventually the route was cleared but it shows the vulnerability of HbT to this sort of problem.

The solar powered Speed Indicating Device (SID) sign was joined by a second one facing the opposite direction in January 2018. This decision was based on the fact that at this time, there is no likelihood of the downgrading of the A343 through the village, nor restrictions on HGVs, so traffic calming and management in the interim was the only possible option. Both SIDs make a noticeable impression as observations are that most drivers do slow down, although, of course, there are a number who ignore the speed limit regardless. The rotational use of Speed Limit Reminder [SLRs] signs, which we share with other parishes, do have a beneficial effect, but to a lesser extent than the SIDs. Their use continues alongside our own measures.

Other speed mitigation safety projects installed over the last few years, namely the traffic islands, the pavement from the bus shelter to the shop and the extension to the pavement outside the school, continue to be effective and the wooden bollards are quite obviously doing their job to a certain degree but we all wish that the drivers would note that they are there and not keep knocking them over. There have been requests to HCC to replace the most recent demolition of a bollard but as yet, there has been no response. Vigilance and care from everyone is required to ensure safety especially at the main junction by the George & Dragon both day and night.

One of our main traffic issues is that of the passage of large lorries through the village. Up until now the distribution centre developers from the old Andover Airfield site (Goodmans) have been banned from allowing certain lorries along the A343 and other roads but this is, as I write, being heard at appeal as Goodmans try to wear down the objections and the councils' opposition by persistent appealing.

Hurstbourne Tarrant Parish Council

Money is short to deal with these appeals at local government level. Fortunately, our MP, Kit Malthouse, is in agreement and is working hard to come up with some solutions.

Finally, a big vote of thanks to Rupert Conder for his continued energetic interest and assistance to the PC on the issue of road safety over the past years. He remains a stalwart and pillar of strength to the council despite not holding office, but it is important that his work is recognised, and we thank him for it.

~~

Financial Report for the year ending 31st March 2018

by Miriam Edwards, Clerk to the Parish Council

The Parish Council's cash reserves stand at £16,224.93 (£5,301 as at 31st March 2017). Reserves are maintained to produce investment income and to fund capital projects.

See Table 1 Statement of Accounts, and Table 2 Bank Reconciliation, for more detailed information.

The precept in 2018/19 has had a small increase from £14,850 to £15,300. This is an increase of just over £1 per household. The precept increase is to cover lack of S106 monies in the future.

The Band D levy for Hurstbourne Tarrant for 2018/19 is set at £40.58 per household pa using the tax base of 377 dwellings and this approximates to a 2.9% increase in parish council precept, or £1.19 per household.

An additional £2,615 of VAT will be recoverable in 2018/19.

There will be an increase in staffing costs of £5,100 for 2018/19.

Hurstbourne Tarrant Parish Council

~~

Hurstbourne Tarrant Community Centre 2017/18 (Susie Hoare, Chair, HTCC CIO)

It's hard to believe that the Centre is already in its third year of operation – and its proving to be even busier than in previous years!

In its first year of operation (1st July 2015 – 30th June 2016), the Centre had already proved to be a highly popular community venue for a wide variety of activities. Financially, it had been a very successful first year, with income above budget, expenditure on target, and reserve funds set aside. We were able to report at our second Annual Open Evening on 6th October, 2017, that we'd had an even more successful 2nd year of operation, with demand for hiring the hall far exceeding expectations (income up by a further 55% on year 1); and costs kept below budget.

In this, the third year of operation (1 July 2017 – 30 June 2018), the Centre is well on track in terms of forecast income and expenditure. We will be reporting on 'bottom line' facts and figures at our next Annual Open Evening on Friday, 19th October, as well as asking Parishioners for their views and suggestions on future activities at the Centre.

So, how's the Centre currently being used? An enormously wide range of events are being held at the Centre. For instance, village events such as the HbT GinFest; the Village Show; Harvest Lunches; theatre performances; and the HBT5 Race; HbT Primary School events (Summer Fayres, Car Treasure Hunt, Summer Productions, Christmas Markets etc); and an enormous variety of special occasion parties (christenings, birthdays, anniversaries, family gatherings, retirement celebrations; wakes etc); very many children's parties; wedding receptions; charity fund-raising events; workshops, talks and meetings – to name but a few.

And of course, as well as events, there are the regular activities which take place at the Centre, mainly on week days, offering a range of choices for a broad age group. Examples are children's dance

Hurstbourne Tarrant Parish Council

sessions, the after-school club, parent & toddlers group, scouts cubs & beavers, Yoga and Pilates classes, table tennis sessions, the SWIFTS social & support group, HbT Historical Society meetings & talks, Parish Council and PCC meetings and from June, the new Messy Church sessions.

Sometimes, it's difficult to imagine how this rich variety of activities and events in the village could happen without the Community Centre!

Feedback from users of the Centre continues to be good. People particularly praise the high quality of the building and its facilities, its cleanliness and tidiness, its outlook onto the playing field, the ease of the booking process and 'excellent customer services'. That's very encouraging.

Behind the scenes, the nine Trustees of the Community Centre CIO (Charitable Incorporated Organisation) volunteer a considerable amount of their time to manage and maintain the Centre on behalf of the village. May I take this opportunity to thank Trustees for their commitment and hard work in ensuring that the Centre is run efficiently and that standards are maintained.

A big thank you too to all those in the village who help with some of the operational aspects of the building, who participate with others to initiate and organise village events at the Centre, and who join in with the Parish working parties, for example, to tidy up the car park. Your help and support is very much needed and hugely appreciated – it makes such a difference. If you too can give a little of your time to help, we'd love to hear from you!

In conclusion, the Centre has rapidly become a popular 'hub' for the local community and is in good shape for the future. With the vital help of volunteers, it can continue to thrive and prosper for generations to come in the village.

Dates for Parish Council meetings – May 2018 to Apr 2019

Hurstbourne Tarrant Parish Council

| Date of meeting | Type of meeting | Venue and start time |
|--------------------|--|-------------------------------------|
| 21 May 2018 | Annual Parish Council Meeting Note: 1 | Community Centre – 6.00 p.m. |
| 21 May 2018 | Annual Parish Meeting Note: 2 | Community Centre – 7.30 p.m. |
| 18 June 2018 | Parish Council | Community Centre – 7.30 p.m. |
| 16 July 2018 | Parish Council | Community Centre – 7.30 p.m. |
