Dear Jan and Mark,

The Shepherdswell Garden Club will be celebrating its 25th anniversary in January 2026. The Committee wishes to commemorate this event by planting a Silver Birch Tree and plaque. The Committee considers that Reed Meadow might be a favorable site and that the Silver Birch could be positioned nicely in relation to the WI Cherry Tree and picnic table.

The Garden Club Committee would like the Parish Council to consider and approve this proposal.

Yours sincerely,

Steven Durbidge (Garden Club Committee representative)
