LEANING ON A LAMP-POST

```
            C              G7              C6    C#dim  G7
INTRO:  Leaning on a lamp, maybe you think I look a tramp
              C           D7        G7     C     D7  G7
Or you may think I'm hanging round to steal a car.
      C              G7              C6         C#dim  G7
But no, I'm not a crook, and if you think that's what I look
            C             Am     D7       G7     D7   G
I'll tell you why I'm here and what my motives are:
```
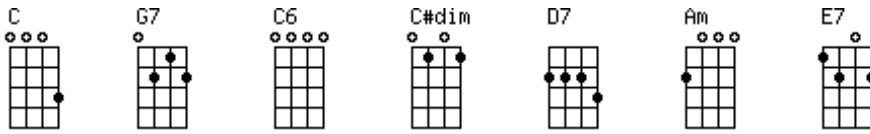

Refrain:
```
      C
I'm leaning on a lamp-post at the corner of the street
            G                     C    G7      C
In case a certain little lady comes by. Oh me, oh my,
   G7          D7          G7
I hope the little lady comes by.
        C
I don't know if she'll get away, she doesn't always get away
        G7                   C    G7     C
But anyway, I know that she'll try. Oh me, oh my,
   G7          D7          G7
I hope the little lady comes by.
                          D7 G7      C                      E7   Am
There's no other girl I would wait for, but this one I'd break any date for.
   D7                      C   D7
I won't have to ask what she's late for.
        G7          D7             G7
She'd never leave me flat, she's not a girl like that.
          C
She's absolutely wonderful and marvellous and beautiful
      G7                   C7
And anyone can understand why
        F                   D7
I'm leaning on a lamp-post at the corner of the street
            C     G7       C
In case a certain little lady comes by.
```
