402/23 Response to leaflet circular to consider

Support an annual event, such as the barbecue, if there is sufficient demand

A good idea to plant some apple trees in the nature area, perhaps something like the community orchard at Ovingham, but accept there may not be sufficient space available.

There is an old bench close to the village sign on the link road in from the A69, which has an old Haltwhistle Urban District Council plaque on it, must originally have been one in each village, other survivors at Slaggyford, Bardon Mill & Henshaw. Perhaps this bench could be refurbished, and if no one sits on it in its current position perhaps it could be relocated to either the village green, or the nature area?

To pursue a 20mph speed limit through the village.
