Good morning, Richard,

Many thanks for giving up your time yesterday to meet with Dave Jordan and myself. The visit was discussed at our committee meeting last night and it was unanimously agreed to express the interest of Swaffham Men's Shed in taking on the old public toilet building as a possible venue for holding it's meetings. Consequently, we would be most grateful if you could include it as a discussion item on your Council Meeting agenda for next Wednesday.

Thanks and Best Regards,

Fred Grange
