SAVE ROUTE 18

100 local villagers met at Stanton Harcourt village hall last night to express their concern at the proposed withdrawal of the 18 bus service on July 20th due to County Council budget cuts. They discussed a number of ideas and all pledged to help the campaign to keep the service. Mike Parker, who chairs the Save Route 18 group, is asking for any residents who are concerned about the loss of the service and want to show their support to email him at mikeparker12@gmail.com

Big Visit! April saw a visit from a family of elephants to the village, the plucky pachyderms were following the trail of their ancestors after getting free access to ancestry.com over Easter. Helpful locals explained that when the 'Man' dug up all the gravel their distant relations were given a new home in the Ashmoleum museum by a nice archaeology lady. Luckily our new friends could go and visit the museum using the number 18 bus!

School News

Hogwarts came to Stanton Harcourt Primary School during Science Week. All the children came dressed for the day. Potions were mixed using Dragon's Blood, Inky Slime, Frog's Breath and other strange and magical ingredients. Wands were whittled and prepared for spells. The children made a periodic table out of biscuits and learnt names of some of the different elements. Some children included the names of the different elements in their wand designs. On Thursday the children played Quidditch matches and of course the Sorting Hat decided which Harry Potter Teams they would play in! Well done Ravenclaw! The week was rounded off with a visit from Renee Watson who helped us to mix different elements which had some surprising results!

Wanted: eyes & ears in West Oxon!

Do you have an interest in the local landscape and/or planning issues? If so, the Campaign to Protect Rural England (CPRE) would love to hear from you!

CPRE West Oxfordshire District has a small committee of volunteers who monitor and respond to planning and landscape issues across the area, and provide advice and support to local communities.

We are on the lookout for a few more people to be our 'eyes and ears' on the ground, reporting back on concerns within the local area and helping to feed in to District-wide policy.

The committee meets on a quarterly basis. The input in between can be as little or as much as you like, but we would ask for a minimum of a few hours per month. You don't need any previous experience or expertise as we can provide information and training as required.

A great deal of development is proposed in the District over the next few years. CPRE is fighting hard to make sure that it is appropriate development, helping to provide genuinely affordable housing and necessary infrastructure, whilst protecting our much loved landscapes and the area's rural character.

Time to add your voice!

Want to find out more?

Just email campaign@cpreoxon.org.uk or T: 01491 612079.

We'd love to hear from you!

Open weekend set for lift-off

The countdown has begun to a special event offering residents discounted entry to a host of visitor attractions across West Oxfordshire and the Cotswolds.

The Welcome Open Weekend (WOW) is being held from Friday 15 to Sunday 17 April and covers a total of 23 attractions in both districts.

They include:

- ☞ Blenheim Palace, Woodstock
- ☞ Crocodiles of the World, Brize Norton

WOW offers residents a range of 'two for one' vouchers to local attractions. The event has already proven popular in West Oxfordshire and it promises to be even better this year as it has been extended to cover the Cotswold District.

The Page 3 Bird

This month's bird is Samantha the Starling.

Starlings are very common in April, and one of the earliest nesters. Although they look black at a distance, up close they have glossy purple and green patches.

Starlings are a bit nefarious with regard to mating and nesting, something they learnt off a Cuckoo I suspect, so we won't mention that! Starlings are famous for their flocks prior to nesting, where thousands can be seen making patterns in the sky, this is known as a 'Murmuration'

Parish Council News

NEXT PC MEETING: Monday 4th April 7:30pm

2016 Litter Pick

Early in March the Parish Council organized the annual Stanton Harcourt Litter Pick. It was good to see some new faces, but the turnout was still not overwhelming. Thanks to all that did attend.

The date chosen was deliberately chosen to be earlier than in recent years - so that the

grass was shorter and the pesky litter could be seen more easily. We weren't disappointed, just under 30 black bin liners full of sorts of rubbish was collected. A wholly unscientific survey indicated that wine bottles were as prominent as ever, but we were down - so to speak - on mens' underpants. WODC were a little slow in picking up the bin bags from the Village Hall, but we are still chasing.....

Noticeboards

You may have noticed that we are currently limited on noticeboards at the moment.... The main noticeboard by The Green was recently damaged in a storm which has left the board requiring major surgery! This is currently underway and the board will be returned to the area within the coming weeks, apologies for the inconvenience. We do still have a fully functioning Parish Council notice board outside the village hall.

Village Hedge - The Green

After considerable discussion at Parish Council meetings since the need to carry out serious repair to the Village Green railings became unavoidable, it was duly decided by the public and Councillors that a beech hedge was the most economic, aesthetic and effective solution. It was planted back from the present fence to ensure that it did not affect road users' visibility on the corner.

In due course the hedge will replace the fence as it decays further and the intervening grass space could be planted with daffodils for the spring.

New Deliverer Wanted!

The time has come for another of our excellent young deliverers to retire. If you would like to take on this round please contact the editor on village-voice@hotmail.co.uk

Round:

Flexneys Paddock and the Main road opposite (36 Copies)
Expenses of 9p per copy are available to youngsters taking on the round.

Scandal!

We've had reports of people taking notices off notice boards! If you have any information on such nefarious events please let the editor know!

If you want to post a notice that cannot be taken down, why not put it in village voice (but don't miss the deadline!)

If you know of other scandals, why not let us know!
 The editor is pondering whether we could have
 community CCTV, Village Vision if you will. Not a Big
 Brother type, more of a Big Sister looking out for us!
 If you have CCTV make sure that you record the date
 and time stamp with the video, otherwise the Fuzz won't
 be able to use it to nick the #####'s

A note from the editor

The official deadline for village voice contributions is the
 20th of each month!

It's been this way for a number of years now, so to all those
 who ask when the deadline is a week later, you are unlikely to
 get such a polite response in future, and even less likely to get
 things included if they're late – you have been warned!

Deadline for next issue is 20th of the Month
