

Chris Boon
Caythorpe Parish Council

Our Ref: DNL- 12811

Your Ref:

Date: 22/01/2015

Dear Chris

Information request:- Caythorpe , Notts - Property Floor Levels and Flood levels.

Thank you for your enquiry which was received on 18/01/2016.

We respond to requests under the Freedom of Information Act 2000 and Environmental Information Regulations 2004.

We currently refer to 2 different hydraulic models in the Caythorpe area: *The River Trent and Tributaries at Newark SFRM2, Halcrow, July 2011* and the *Nottingham Tributaries SFRM, JBA, January 2014*.

We have supplied floodplain maps from these models which show the expected height of flood water in a 1 in 100 year (1% chance in any year) flood event. *The Nottingham Tributaries SFRM, JBA, January 2014* models each watercourse separately, therefore we have provided maps for both the Cocker Beck and the Dover Beck.

I have attached our Standard Notice which explains the permitted use of this information.

Please get in touch if you have any further queries or contact us within two months if you'd like us to review the information we have sent.

Yours sincerely

June Rolland
