Polite Notices

- **DO NOT!** park on blind bends in the road,
this is not legal and is dangerous for
cyclists and pedestrians, plus any damage
wont be insured!
- **Please** consider your neighbours and the
wind direction when having a bonfire so
we can all enjoy the fairer weather
- **More Doo!** reported on steady's lane,
please clear up after your dawg!

NEWS

SHAPE has now submitted an application to WREN for a grant towards the proposed village play areas. We will hear the outcome in July, but in the meantime have lots more money to raise to reach the project target. A huge thank you to everyone who has supported all our events so far.

A Huge Thank You to everyone involved in "An Evening with the Stars" including cooks, servers, bar staff, MC, Sam Strange and all the entertainers, back stage crew, audience, ticket sellers, washer uppers etc etc. Both SHAPE and St Michael's received £1234.00 each to boost their funds, we couldn't have done it without you all!

'The Great Village 100 Mile Run' held on 9th March exceeded all our expectations – so much so that we got a key part of the title completely wrong: on a gloriously sunny day, 144 participants clocked up a grand total of 342.5 miles! We raised the phenomenal sum of £1,940. Thank you to all the team who helped on the day and made the event run smoothly and safely, to all those who took part and raised money, and to everyone who sponsored the younger participants. The children's medals were very generously provided by Martin Simmonds of Ashlogs. The suggestion has been made that this becomes an annual event – we've set the bar high for our target mileage next year!

*To contact SHAPE please email
shapecommittee@btinternet.com or call Clare on
01865 881943*

Open day for new Gigaclear fibre broadband service in Stanton Harcourt & Sutton

From Nigel Elliott, Chairman of the Stanton Harcourt & Sutton Broadband Group.

Gigaclear is now very much 'Go' with Stanton & Sutton now just days away from the fibre-optic broadband switch on. An exciting time and thanks to everyone that signed up and made this possible. Please see below the latest update from Gigaclear's Robin Band on progress:

Most of Stanton Harcourt is now fibred up and by the time you read this work should have advanced along New Road to Sutton Lane and then out on to the Eynsham Road.

This has been a significant undertaking in some pretty poor weather conditions, so we at Gigaclear hope that residents have found the civils work bearable and our contractors polite, accommodating and tidy. Some grass areas will take a little while to recover but once the rubble, spoil and teabags(!) have been removed, grounds will be reinstated, reseeded and repaired, and hopefully in a few weeks all you'll be left with is the knowledge that you now have amongst the world's fastest broadband! This is no exaggeration: any city that you care to name – London, Paris, New York, Sydney – all have broadband speeds significantly

slower than those that will soon be available to every resident in the community.

Gigaclear networks are 'fibre to the premises' (FTTP), which is significantly faster and more reliable than 'fibre to the cabinet' (FTTC) solutions which utilise the existing copper telephone network from a fibre-enabled cabinet. Residents and business owners can choose speeds up to 1000 Mbps (megabits per second), roughly 500 times faster than what is currently available to the community.

Gigaclear will be hosting an Open Day at Stanton Harcourt Memorial Hall on Saturday April 12.

Companies such as Richer Sounds, Contact Security and Paddock IT will be on hand to offer advice on using catch up TV and other popular entertainment services, improving Wi-Fi coverage in your home and making the most of all that's now available online.

For any further details regarding the upcoming Open day or the Gigaclear broadband service in Stanton Harcourt & Sutton please visit

www.gigaclear.com/stanton-harcourt-sutton or email us on info@gigaclear.com

Gigaclear
Ultrafast Community Broadband

Gigaclear Ultrafast Broadband Demonstration Day

**Stanton Harcourt Memorial Hall
Saturday 12th April
09:30 – 16:00**

Enter our FREE prize draw to take home a 39" Samsung Smart TV!

Just submit your name and address at our registration desk to enter (no purchase necessary).

**For more information, please visit
www.gigaclear.com/events**

School News

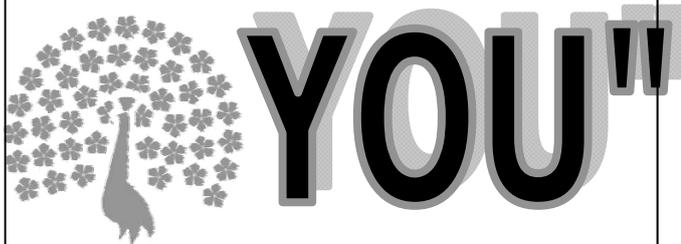

As the weather is at last slowly improving, the children of Stanton Harcourt Primary School have enjoyed taking part in some outdoor activities! The children took part in "Big Bird Watch", there has been a successful Tennis Taster session for all pupils and everyone has been strongly encouraged to scoot or cycle to school, (the Big Pedal!) which helped to collect points for the inter school competition.

The children very much enjoyed the International Day in February, an enriching experience for all pupils and the World Book Day at the beginning of March where Mrs Purves came dressed as "Mrs Armitage on Wheels", the well known Roald Dahl character.

Mrs Walsh will be replacing Mrs Purves who is leaving the school at the end of this term. She has been a very popular teacher at the school for many years and the school is very grateful for everything she has achieved.

There is an up-date on the school website referring to the imminent academy status and more excursions for the children to look forward to, such as a visit to Enstone airport as part of Class Three's topic on flight, as well as to the Oxford Bus museum for Class Two's topic, Wheels. All the school age children will be going to the Ashmolean to have look at a particular painting by Walter Sickert, which will be the basis of the "Take One Picture" project for the summer.

"YOUR FESTIVAL NEEDS

...to bring the Carnival to Stanton Harcourt.

Want to get involved in your community and make this year's Summer Festival one to remember?

Help us bring colour and excitement to the village.

How? (we hear you ask!)

Raise money for your own organisation or favourite charity with open gardens, Festival Week events and stalls on the field.

Interested?

Parish Council Updates

Next PC Meeting: Mon 7th April.

AGM: 12th May 2014 – starting with a brief ordinary meeting at 7pm, then straight into the AGM at approximately 7.30pm. *More information will be confirmed in the next Village Voice and on the website.*

Great Village Litter Pick

In late March the Parish Council organised the annual Litterpick. Despite a grim, cold and wet day there was a fantastic turnout by members of the village who collected dozens of bags of rubbish from Stanton Harcourt and Sutton.

As in previous years, the array of discarded rubbish was as mystifying as it was plentiful: underpants, swimming trunks and, for some unknown reason, the usual dozens of empty bottles of Rosé wine. *Thanks to all of those who turned out.*

Landowner Maintenance

A reminder that if you have hedges or watercourses running along or through your property you are the 'riparian owner' (responsible for maintenance).

Hedges should be kept in order where they border roads, footpaths and other properties, now is the time to get control before the growing season gets going!

Watercourses must be kept in good order and free from obstructions to ensure any impact on flooding is minimised, if a watercourse borders your land the boundary is usually in the middle of the stream!

If you are aware of a public footpath or watercourse which is obstructed, please notify the Clerk (Trudi Gasser) who will contact the owner of the hedge to request that it is maintained accordingly. Should the landowner not carry out the requested maintenance, the next step is for West Oxfordshire District Council to be notified, who will then take further action, which may be to carry out the work and bill the landowner. For more information refer to the Parish Council website for a full copy of the Environment Agency's information booklet 'Living on the Edge'.

Next stages for West Oxfordshire's Local Plan

The key findings of the 2014 Strategic Market Housing Assessment (SHMA) for Oxfordshire have now been published. The key headline from the SHMA is an identified need for the provision of between 4678 –

5328 homes a year over the 2011-31 period. This is the overall figure for Oxfordshire Whereas the draft Local Plan (which was based on the former Regional Plan) identified a target of 306 homes per year or 5,500 homes in total for West Oxfordshire, the SHMA suggests that a target in the order of 635 - 685 homes per annum is needed. The SHMA suggests a significant increase in the number of new homes that are needed in West Oxfordshire in the future. For further information

visit: www.westoxon.gov.uk/draftlocalplan

Council Tax frozen

services protected, grants safeguarded – plus pledge to invest in rural broadband

West Oxfordshire District Council have confirmed that Council Tax is being frozen again, there will be no reduction in services and further efficiency savings are on track in West Oxfordshire - with a promise to protect grants to voluntary organisations, invest in rural broadband and protect facilities like free parking.

Further information can be found on the WODC website (www.westoxon.gov.uk)

Make our community dementia-friendly

Come and find out about how you can support those in Standlake, Northmoor and Stanton Harcourt living with Dementia. No experience necessary – all ages – free training. Find out more about dementia on Monday 28 April, 2pm, Standlake Village Hall. To find out more, call Brenda on 01865 300370 *A partnership project supported by NHS South Dementia Challenge Fund*

Daffodils

I am sure you will have noticed the daffodils look really impressive at the moment and brighten up the village!

The Parish Council (with the assistance of any volunteers...) plant bulbs every year around October/November time. If you notice any areas which would benefit from some bulbs on the next planting, please let Trudi know, and she will keep a note of the areas.

One final note... the daffodils are for all of the village to enjoy, so please refrain from picking the flowers.

SHAPE

The Parish Council met on Friday 21st March to discuss and approve its application to WREN for funding the playground on Jubilee Field. We have to thank Clare, Sally and the SHAPE Committees for their fulsome work on this application and the plans for both areas, and we are very hopeful that all that effort will now provide the facilities that Stanton Harcourt and Sutton need and deserve.

Parish Council Information

All official communications should be addressed to the Parish Clerk: Trudi Gasser, 5 Woodlands, Standlake, Oxon, OX29 7RA.
