Emergency & Resilience

Nothing to report.

Finance & General Purposes

New Parish Councillor co-opted and new Clerk appointed.

Planning, Roads and Byways

Only the one new planning application as we have already seen. PCC £0.5m fund – working with GM to submit a bid, probably for mobile speed cameras. Still chasing IoW Council on TROs and other outstanding works. A further TRO submitted requesting the removal of 50 mph signs on Newport Road so that it reverts to 40 mph.

We still need volunteers to come forward and join the Speedwatch team such that they can start operating again.

Strategy & Parish Plan

Nothing to report.

RESOLVED: To note the Working Groups' Reports.

177/25 OTHER REPORTS

Children's and Young People's Playground and Parish Recreation Ground Charity

The Wildlife Trust is carrying out a free assessment of May Close and it will be used to plan the way forward.

A complete overhaul of the May Close equipment including the goalposts will be carried out.

An assessment is to be made regarding the modernisation of the old Cricket Pavilion in Central Mead. This will include estimates of costs and a proposed business plan aimed at showing how it could be run without financially burdening the village.

It is recognised that there has been significant encroachment by hedges and trees both in May Close and Central Mead and money will need to be spent on that.

The dangerous and badly damaged matting strip in the middle of Central Mead has been removed and the area will have top soil added and be reseeded.

Godshill Matters

Many thanks to Godshill Matters for a copy of the notes from their last meeting and also a request for financial support to enable Godshill families and children to make lanterns for use in the Christmas Cracker procession.

RESOLVED: That we donate £200 towards the cost of materials for the lanterns.

RESOLVED: To note the Reports above
