TIDDINGTON WITH ALBURY AND MILTON COMMON

NEIGHBOURHOOD PLAN QUESTIONNAIRE 2026

Please Complete and Return by:

1st November 2026

About The Neighbourhood Plan

A Neighbourhood Plan in the UK gives local communities statutory power to shape the design, location, and type of development in their local area.

Our current Plan was submitted in May 2023 after consultation with the residents. It is time to review and update the Plan for it to remain relevant. The views of Parish residents are critical, hence why we are asking all households and residents for their views.

Who Should Complete This Questionnaire?

This Questionnaire has been sent to every household in the Parish. You are invited to discuss the questions with every member of your household and submit one response per household that represents your views. It is important that as many parishioners as possible have the opportunity to respond. Your opinion matters!

What Will Happen To My Response?

Questionnaire responses and comments are anonymous. None of the responses will be matched to individuals or households. The responses will be used in some cases to compare changes since 2023 and in others to inform on new areas such as traffic speed limits. The Neighbourhood Plan Team will correlate the response to form headlines and themes for inclusion in the Neighbourhood Plan.

What Happens Next?

An open Parish Council meeting will be called later in the year to share your responses and the findings of the Neighbourhood Plan review headlines with parishioners.
