21/10/2021		B5025 Dorrington Lane and Watery Lane Crossroads	At Dorrington lane end where the 5026 leads to Irelands Cross, the constant flooding has still not been addressed and this morning, where most other flood prone sites are clear of water, this junction has a pool 2/3rds of the way across the B Road and round the corner adjacent. Our understanding is that this constantly floods due to the water running down Dorrington Lane out of the ditch and down onto the B5026. The drains are silted up and can't cope with all the water.		New Report - First reported to SC several months ago.	SR-174964-T9K7D9
21/10/2021		Severe Flooding on Bearstone Road	Bearstone Road flooding - issue is broken pipes - SC have visited site and instructed SC drainage works team to perform repairs - 3 month notice required for road closure - awaiting update.		New Report - First reported to SC several months ago. Update 10.12.21 - Shropshire Council advised that their contractor has attended site to deal with this, but couldn't do anything because of the flooding! They are to write again to adjacent landowners ref Ditch cleaning.	

21/10/2021	A525/A51 Junction, Audlem Side.	Badly deteriorated road surface, and erased stop line. Vehicles are encroaching into the A51 carriageway to gain visibility around parked cars in lay-by. The absence of the stop line is very dangerous since there is no guide to the driver to stop. Eroded road surface is danger for vehicles under heavy braking with flooded potholes and the risk of ice forming with the onset on winter.		New Report	
21/10/2021	Blocked foot way gully on A525 adjacent to Woore Post Office	Drainage gully at the back of the footpath is blocked, and or possibly the outfall drain. Water is discharging across the footpath, and is causing a dangerous surface for pedestrians. This will be exacerbated by the onset of frosty weather causing ice formation with the associated hazards.		New Report - SC attended site on 12.11.21 and attempted to clear the blockage in the outfall drain. The operatives reported to Andy Morris in Woore Country Stores, they thought that the drain was collapsed as a result of excavation work carried out by ST to install a new water meter, since there is new surfacing over the	SR-175797-P3B4L6
