

FARNSFIELD TENNIS CLUB

SAFEGUARDING AND PROTECTION POLICY

FARNSFIELD Tennis Club adheres fully to the British Tennis Safeguarding Policy a full copy of which is always available in the clubhouse and on our website. All existing members and new members are directed to this policy.

What do we mean?

Safeguarding Creating a safe environment

Protection Taking action once attention has been brought to an issue

We aim to provide a safe and friendly environment for everyone who plays here.

We particularly wish to ensure that children and vulnerable adults feel safe in our club and are always able to participate and enjoy fully all the activities on offer.

If a club member becomes aware of any abuse at our club, whether it be emotional, physical or sexual abuse by peers or adults, the matter should be brought to the attention of the Safeguarding Officer(s) or any Committee Member.

If an issue cannot be satisfactorily addressed by the club advice will be sought from the LTA Safeguarding team.

The Safeguarding Officer at Farnsfield Tennis Club is:

Clare Whitchurch

0788 7605500
