

- **Ewelme Site B (Berry Close)**
AVDC Development Management Committee has approved outline planning permission for the field opposite School, for up to 10 dwellings, retail premises and parking for school and shop. Conditions such as landscaping and a S106 agreement will now be agreed by the Committee. There will then be a detailed planning application by whoever acquires the site from Ewelme for development. All the members who had been on the site visit voted to overturn the officers' recommendation for refusal. It will still be several months before any work commences.
- **Ewelme Sites A and C**
Outline approvals for these sites (south side of Little Marsh Road and 'Leopold Farm') are reportedly imminent.

Helicopters

Following complaints from residents Council has written to the Low Flying Complaints Unit at RAF Wittering, asking that the Chinook pilots be requested not to fly near or over houses in the village. If you would like to complain direct, please contact Carole for the address.
