DOWNLAND
VOLUNTEER
GROUP

The Downland Volunteer Group (DVG)

As many of you are aware the Downland Volunteer Group (DVG) was set up in 1986 to assist residents from the Downland villages to attend their medical appointments. Our financial year runs from April to March. In the last financial year, we made **1337** such trips an increase of **34%** over the previous financial year. We believe the increase is due to the efforts of the NHS to reduce the backlog that has built up and the publicity the DVG received in February 2024 when we launched the new HandeBus – the first all-electric community transport vehicle in West Berks. Of those 1337, trips 34 were from the Chaddleworth area.

The DVG is made up of volunteers. We have 52 volunteers, driving patients to their appointments, working in our office in the Compton surgery and driving the HandeBus. From data we keep to claim grants from West Berks and the Dept of Transport our volunteers gave **3465** hours of their time for free. Our car drivers travelled **31,133 miles**, the HandeBus carried **1011** passengers covering **158** trips and covered **8184** miles supporting the Downland community in this last financial year.

As I have mentioned, the all-electric HandeBus was launched in February 2024. Its focus is to help mainly the older members of our community to go shopping. Unlike a bus service this is a taxi type service with the driver nearby

where they shop and who helps load and carry the shopping to their front door. Often referred to as a social club on wheels it also encourages residents who often live on their own to get out and socialise with friends and neighbours. The HandeBus also does day trips to places of interest nearby.

With the increase in demand for our service we are constantly looking for new volunteers. Last year three of our volunteers stepped down each having given over 25 years of service to the DVG. We are most grateful to them for the support they have offered to our community over such a long period. I believe it also reflects that the DVG is regarded as a key support for many residents in their time of need.

If anyone can spare a few hours a week or in a month we would like to hear from them. As an example, taking patients to their appointments at the surgeries in Chieveley or Compton normally takes around 2 hours of your time. To the West Berks hospital in Thatcham is usually 3 hours depending on the department they are attending. These three locations account for nearly 50% of the trips covered by the DVG. If you would like further details about the Downland Volunteer Group you can contact us by:

Chaddleworth Survey Launches in September

Every Household Expected to Participate

Our village is taking the next crucial step in updating our Community Plan, and we need every resident to be part of this important process.

What to Expect

Door-to-Door Volunteers: volunteers will be visiting every home in the village to ensure maximum participation in this vital survey and will be happy to assist with any questions about the survey process.

Universal Participation

This isn't just for some residents – we're expecting and encouraging every household to participate. Your input is essential to creating a Community Plan that truly reflects the needs, priorities, and aspirations of our entire village.

Why Your Response Matters

We can only create a plan that works for everyone if everyone participates.

This is your opportunity to have a direct say in how our village develops over the next few years.

Survey Details

The survey covers key areas affecting daily life in our community and takes approximately 20 mins to complete.

Volunteers will be available to assist anyone who needs help completing the survey, and alternative formats can be arranged for those who require them.

When Volunteers Will Visit

Survey collection will begin in September and continue for 3 or 4 weeks. If you're not home when volunteers first call, they will return at different times to ensure everyone has the opportunity to participate.

Get Involved

Residents who would like to volunteer for the door-to-door campaign or have questions about the Community Plan update process can contact chaddleworthplan@gmail.com

Remember: Your participation isn't just welcome – it's essential. Together, we can build a Community Plan that reflects the true voice of our village.

Chaddleshworth and Shefford Schools PTFA

(Registered Charity 1190914)

What a super summer of fundraising the PTFA have had!

Our goal this term was to raise £1,800 to go towards a whole school trip to the Cotswold Wildlife Park, as a brilliant treat for the children and staff, as well as linking to the learning they have been doing this term. Our biggest event was the summer fete, held on Saturday 28th June, a scorchingly hot day! **THANK YOU** to everyone who came along and enjoyed the fun, with special thanks to the *Great Shefford Sports and Social Club*, our local PCSOs, and *Ruth from Priscilla's Kitchen*, for coming along to be part of the day! Thank you also to the team of parent and staff volunteers who made it all possible!

We were delighted to smash our fundraising total, enabling the PTFA to fund the Cotswold Wildlife Park trip, from

the coaches and park entrance tickets, right down to the ice lollies, park train rides, and educational talks from the keepers. A super day was had by all when the school visited on Friday 18th July, another super sunny day!

Our final event of the academic year was our school discos, one for early years and key stage 1 classes, and a second 'Leaver's Ball' for key stage 2 classes and our leaving cohort of year 6 pupils. Thanks to *DJ Carl* for keeping the children dancing all night, and the staff and parent volunteers who joined the conga line and made the evening possible.

Thank you as always for your continued support. Wishing everyone a super summer holiday!

Best wishes from ***Kathryn, Charlotte and the PTFA team***

Please support our school by collecting blue tokens at Tescos Hungerford!

We could raise up to **£1500** to support the school's 'plot to plate' initiative, enabling the children to plant and grow their own produce, while funding cookery equipment and appliances to be used in lessons.

Bags of Help
Please take a token

Vote

Please look out for our Stronger Starts charity box from the **first week in July, through to the end of September**. Thank you!

As an ongoing fundraising effort from the spring term, our PTFA charity is one of the chosen recipients of the blue tokens in Tescos Hungerford. ***Please collect your tokens after shopping and keep an eye out for our Chaddleshworth & Shefford schools donation box.***

Great Sheffield Under Fives

Great Sheffield Pre-School and Baby & Toddler groups are now closed for the summer. Our end of term was celebrated with parents at the village park, with sports for the children, races for the parents, presentation of the medals the children made, plus books for the children who are off to primary school in September. Thirteen children have left to local schools; we send them all our best wishes for their next adventures.

We have had a fantastic year and have provided a wide range of educational and enrichment opportunities for young children. THANK YOU to everyone who supports the Under Fives, we could not offer so much without the community support.

Our new term starts on **Tuesday 9th September** when we will welcome some new starters.

If you would like to know a little more about the fabulous opportunities we can offer your pre-school child, please do get in touch via the website www.greatsheffordunderfives.co.uk

Have a wonderful summer,

2025 Seattle Cup

Chaddleworth proudly hosted the much-loved Seattle Cup once again this year – a cherished annual cricket event that has become a staple in the village calendar.

Three teams of seven competed in a round-robin format, with the bottom team then split between the finalists for the ultimate showdown.

The host team featured Seattle Cup co-founder *Tony Mills*, alongside *Shane McAllister* and *Dave Young*. The day was a great success, with a fantastic BBQ by *Joe & Jacqui Mills* and *Lynne Doncaster* with a strong turnout from the community.

This year, it was **Team Dave** who triumphed, lifting the Seattle Cup trophy in what was a spirited and friendly finale!

A word from co-founder Tony Mills...

"It started small but has grown significantly. We introduced softball to make it safer and more inclusive and now women and children also take part. It's less about competition and more about community."

The cricket club has been a vital part of Chaddleworth for 44 years. It's a great introduction to cricket for the younger generation, and I hope to see future teams for men, women, and children alike."

On behalf of everyone at CCC, we would like to extend a heartfelt thank you to Tony for his continued passion, dedication, and vision behind the club. Your efforts over the years have helped create a truly special club & event that brings the whole village together to celebrate sport, community, and friendship. From organising the teams to sharing the history and heart behind the day, your commitment has had a lasting impact on all of us.

QUIZ NIGHT AT THE IBEX – In aid of Chaddleworth Cricket Club

Chaddleworth Fete 2025

This year's Summer fete saw a great turnout, despite a little shower as the doors opened. It didn't dampen anyone's spirits, and before long the sun came out to shine on a fun-filled afternoon.

We were treated to lively entertainment from *Phoenix Brass Band* and *Mr Muddle* alongside plenty of village favourites: traditional games, delicious tea and cake, and a well-stocked beer tent. Events like this really show just how special the Chaddleworth community spirit is!

It was great to have **Mark Slade** as our MC for the day, and lovely to have **Nathan** back in the village manning the BBQ – after moving away around 18 months ago, he was certainly a welcome sight for many locals!

Chaddleworth Cricket Club joined in the fun, bringing along a very popular tractor display and raising an impressive sum for their club.

The day wrapped up with high-energy *rock paper scissors* hosted by *Rev Mike*, followed by a fun water fight. This last-minute addition (in place of the cancelled *Rosie's Pet Care Dog Show* due to the heat) was a huge hit with kids of all ages – including some of the adults!

A huge thanks to all the volunteers and the team that helped out on the day, *Heads Farm Contracting* for topping the car park field, *Samantha Bracey* for the haybales, the generosity of all the local businesses who donated prizes, and of course, everyone who came along to support.

The funds raised from this event for directly towards future village activities and equipment. Most recently, we have been able to replace a full gazebo (frame and canopy) and upgrade two more canopies, meaning we now have three brand-new gazebos ready to keep us covered at future events.

If you'd like to get involved, volunteer, or share an idea for a future gathering, we'd love to hear from you. Drop us a line on entertainment@chaddleworth.net

Dear Friends,

Last week I needed to get something in the post quite urgently. (You may have noticed that admin is not a gift of mine, postage can often become quite urgent!!) I drove around quite a bit, looking for a postbox that had a collection at 5pm rather than 9am (as most seem to these days in the villages.) In the end, I found one at Sainsbury's in Newbury. It tickled me to read that someone had placed a printed message below the aperture that read "MORE LOVE LETTERS PLEASE".

Wouldn't that be lovely? More love letters please. When was the last time you sent a love letter? Or received one?

Over the summer months I have the joy and delight of conducting many weddings. I think we see something of God's love for us in the love that is so visible between a bride and groom on their wedding day. I wonder how many love letters have been sent and received before they reached their wedding day?!

I was asked this week how I would summarise the Gospel (meaning "Good News") in two sentences. I said something about each of us being God's dear children and God giving up everything to make a way for us to know that forever. When I asked what they had said, they simply replied "Love". What a brilliant answer?! They expanded to say that it's all about unconditional love for all, and we must go out and share that love because

that's how the world gets transformed. I'm totally up for that!

One of my favourite passages from the bible is [Romans 12:9-end](#). In a particular version it starts: "Love from the centre of who you are, don't fake it". How might we all demonstrate more love in the communities in which we live, so that our little corner of the world may be transformed? I'm going to enjoy finding out!

With my love and prayers,

Rev Mike

NAWT Trindledown

We hope you have all had a wonderful June & July and have been enjoying the bouts of warmer weather we have been having.

With the sunshine, there are always challenges to face and beating the heat and this year has been no exception! If any of you have been by the centre recently, you will have seen an army of fans and paddling pools all ready to help keep our animals cool.

We are pleased to say we were back at *Shaw House Summer Fair* this year, once again running their dog show on Sunday 20th July at Shaw House Newbury. A fantastic fun-filled day out!

On Sunday 27th July, we will hosted the *National Human Animal Bond Awareness Day* (NHABAD) in collaboration with *Street Vet*, celebrating the amazing bond between pets and their owners, in addition to offering free support for our community. The event included access to support for pet owners who might be feeling the squeeze from the cost-of-living crisis, free nail clipping, canine physio demos, microchip checks and microchipping, general pet advice and a pet food bank.

June was a wonderful month for rehoming, including saying farewell to Hallie, who arrived back at our centre in January. When she first came to us, she was quite nervous around people, but thanks to the incredible dedication and patience of our animal care team over five months, Hallie has made such amazing progress.

Today, she's happy to go on walks, loves receiving affection, and has finally found her forever home with her best friend Hunter.

We don't often get the chance to see two rescue dogs' bond so closely, so witnessing these two go home together was truly a special and heartwarming moment!

Still looking for her forever home is the beautiful Kitty! Despite being 15 years young, Kitty has so much life and love left to give. This affectionate girl loves head scratches and is very vocal about it too! Unfortunately, Kitty has yet to receive a single application, despite being under our care since the beginning of May. We have everything crossed that we can help find this lovely girl a home soon! To find out more about Kitty, head over to our website at www.nawt.org.uk/rehoming/cats/

As the Summer is our busiest time of year, we are also urgently on the lookout for more wonderful volunteers to help us foster animals! If you're interested in lending a hand, please contact **Sarah** at s.hardwick@nawt.org.uk

Don't forget to follow us on Facebook (**@nawt.berkshire**) to stay in the loop with all our latest updates and news. **Molly Hall**

July's WI meeting was our annual Garden Party which was very kindly hosted by one of our members Gill. The sun shone, the chat flowed

along with lots of cooling drinks, a quiz followed by a delicious spread provided by a contribution from each of our members. We all thoroughly appreciated having our party in such a beautiful location and could have stayed there all afternoon!

The Cuppa n Chat changed format slightly, as some of our group met up at Milestones - the undercover Victorian Museum in Basingstoke for an afternoon of fun, friendship and a great deal of reminiscing!
