# 7.2 Skateboarding

Cllr IM reported that there was £1,510 remaining in the skateboarding budget which is sufficient for 36 hours between now and the end of March. Clerk reported that D Rollins had sent her confirmation of his insurance renewal. Cllr JS reported that the village hall was waiting for confirmation of the date when the collapsed pipes in the car park would be replaced, during this period the skateboarding would not be able to go ahead.

# 7.3 **S106**

It was agreed to review this at the Finance meeting.

# 7.4 Finance Meeting

It was agreed that the following would be added to the Finance Meeting agenda:

- Expenditure v Budget to 30 September 2020

## 8 PLAY EQUIPMENT, TEENAGE RECREATION AREA AND RECREATION GROUND

## 8.1 Maintenance

Technical Surfaces have completed the Rejeneration® of the all-weather pitch (AWP) and have supplied dates for the regular maintenance.

# 8.1.2 General Maintenance

A response to a request for a volunteer to help with the general maintenance at the playground had not been received. It was agreed to discuss adding a budget item to the 2021-22 accounts to cover the cost of general maintenance if a volunteer does not come forward.

Action: Chair and Cllr JS to liaise regarding a possible 'handyman'.

# 8.2 Playground Upgrade

Cllrs RC and NL had met playground designers / suppliers to discuss the upgrade of the small playground and await their proposals.

# 8.3 Flood Lights

Councillors agreed to the request to use flood lights at the all-weather pitch with a cut off time of 8pm.

- 9.1.5 Weed Killing: Clerk had reported to Transport for Bucks issues with the recent weed killing which damaged the lawns at some properties in the village and was awaiting a response. Hedgeside path and the path between the village hall and Moat Lane need brambles to be cut back and herbicide applied.

Action: Clerk to follow up with RTM.

9.1.6 Maintenance: Nothing to report.

#### 10 ROADS AND PATHWAYS

## 10.1 Pot holes

No pot holes were reported.

# 10.2 HGV weight limit

10.2.1 It was noted that complaints still are being received regarding HGV's using the village which now had been made worse by the Station Road closure and the bridge work being carried out by **East West Rail**. Cllr PE had spoken to an engineer working on the Station Road bridge who had no knowledge that the bridge would/had been lowered. The engineer agreed to make enquiries and get back to Cllr PE. Councillors agreed that this was a difficult situation as there was no guarantee from Transport for Bucks that we would be successful in a weight limit/traffic diversion. Council was therefore unsure of a way forward other than to ask CC Angela Macpherson for guidance and help.

10.2.2 Following receipt of the full Feasibility Report, Cllr IM had written to David Cairney, TfB, on 15 September 2020 to confirm that Council wished TfB to implement option 2 (West Edge anti-HGV signs – Diagram 820A) at a cost up to £2,500; as well as option 1, adjusting signage in the surrounding area as opportunities arise, at nil cost. A response from this email has not yet been received.

Action: Clerk to chase for a response.

# 10.3 Speed watch

It was noted that Thames Valley Police had banned all speed watch activity until further notice.

Action: Clerk to leave on the agenda.

#### 11 STREET LIGHTING

Clerk continues to report faulty street lights to E.on. It was noted that a light in Little Marsh was not working and the light in Scotts Lane still needs a proper repair.

Action: Clerk to continue to liaise with E.on to get the repairs completed.

## 12 **CEMETERY MATTERS**

#### 12.1 General

- 12.1.1 Clerk reported that she is getting closer to getting a new waste bin for the cemetery.
- 12.1.2 Clerk reported that the Burial Grant Register the Council currently is using is out of date. Council agreed to purchase of an updated register.

Action: Clerk to purchase the new register.

# 12.2 Burials, interments, Advance bookings and Memorial / Additional inscription applications Nothing to report.

# 12.3 New Homes Bonus (Cemetery paths/roads improvement)

Cllr PE reported that she had spoken to Tim Voss of BSA Chesters who in turn had spoken to Alan Hickford who claimed that he (AH) had carried out the cemetery road work according to the specification. It was noted that Council is still holding the retention money, but a decision needs to be made on how any additional repair costs will be met. There will be necessary repairs to the splits in the tarmac paths, and the PC needs advice on this.

Action: Chair, Cllrs PE and ET to organise a site visit with Tim Voss.

# 13 ENVIRONMENTAL MATTERS

## 13.1 Notice Boards

No updates were available.

# 13.2 Ware Pond

# 13.2.1 Railings

A permanent repair to the railings is in hand but a date for the work was not available.

# 13.2.2 Pond cleaning

A date for this work was not available

Action: Chair and Cllr ET to follow up

#### 13.3 Townsend Pond

The removal of the willow tree is the responsibility of the owner of the land. As it was not clear on whose land the tree is, Council would need to pay approximately £70 to obtain confirmation from the Land Registry.

Action: Cllr IM to feed back this information to the resident who had originally reported that the willow tree was 'falling'.

# 14 OXFORD TO CAMBRIDGE EXPRESSWAY

No updates were available.

# 15 REPORT FROM VILLAGE HALL REPRESENTATIVE

Cllr JS reported she had become a Village Hall Trustee. She also reported that an 'executive' committee is meeting regularly to discuss COVID.

## 16 **COVID-19**

It was noted that the COVID-19 organising committee is meeting every three weeks. The Parish Council had paid for the latest leaflet.

#### 17 COMMUITY BOARD

Cllr NL had attended the first Environment and Green Spaces sub-group meeting and reported that its work had not yet been defined. It was noted that £2.5K in grants may be available from the sub-group and £15K may be available from Central Government.

Action: Cllr NL to investigate what grants will be available.

## 18 FACEBOOK

No updates were available.

# 19 ASSET OF COMMUNITY VALUE (ACV)

Following initial investigations on how to apply for ACV's, it was noted that Land Register details were required. Council approved the costs of the applications.

Action: Clerk to obtain the Land Registry documents.

## 20 **CHRISTMAS 2020**

It was agreed to purchase a Christmas Tree for delivery on 27 November and erection on 28 November. Actions: Chair to order tree from Richard Howson and Cllr PE to speak to volunteers to erect the tree and to organise checking of the tree lights by an electrician.

As it is unlikely that the usual Carols Around the Tree will be possible this year, it was suggested that something similar to the VE Day Scare Crows around the village be held with a Christmas theme (e.g. Father Christmas / Snowmen / lights). It was thought that the best forum to organise this would be the COVID committee.

Action: Chair to liaise with Rev David Hiscock and the COVID committee.

#### 21 PARISH COUNCIL OBJECTIVES

To be discussed at the next Parish Council meeting.

# **22 ANY OTHER BUSINESS**

# 22.1 United Reform Church (URC)

Council had received a letter informing it that the URC would be closing. Cllr IM had written to the secretary but had not received a reply. Chair reported that, as a representative of the Highway Church, he will be meeting the URC on Sunday and will make further enquiries about the closure.

# 22.2 Remembrance Sunday

Chair agreed to lay a wreath at the Remembrance Day service. Cllr IM said that previous wording on the wreath read "On behalf of the People of Marsh Gibbon".

## 22.3 Piece Close

DATE:

Council agreed to support the local person's application for the vacant property in Piece Close.

Action: Clerk to inform Buckinghamshire Council of Council's decision.

# 23 DATE AND VENUE OF NEXT MEETING

The next Parish Council meeting will be held via ZOOM at 8pm on Tuesday 10 November 2020.

Chair closed the meeting at 10.20pm.
