

Clayworth Parish Council
Community Emergency Plan
2026

This plan is next due for review January 2027

This document has been prepared by the Clayworth Parish Council Emergency Response Team based upon a template provided by Nottinghamshire County Council.

The information contained in this document is for guidance only. Clayworth Parish Council acknowledges that Nottinghamshire County Council shall not have any liability, either under this guidance or otherwise, in respect of the provision of services or for any actions or omissions by Clayworth Parish Council in any emergency situation. The suitability of the application of the guidance by Clayworth Parish Council to perform the services shall be entirely for Clayworth Parish Council to determine. This guidance does not constitute legal advice in relation to emergency planning.

Clayworth Parish Council has Public Liability cover with a limit of liability of no less than £10 Million.

Introduction to Clayworth's Emergency Plan 2026:

Emergencies happen. There may be a time when you might be affected by an emergency but your life is not in immediate danger. During such a time, you will need to know how to help yourself and those around you. The Parish Council has drawn up this plan to help deal with a major incident which may occur in the future.

'By becoming more resilient, you and your community can complement the work of local emergency responders and reduce the impact of an emergency on your community both in the short and long term.' (www.gov.uk)

Objectives of this Emergency Plan:

- To establish a Community Emergency Response Group that, through co-ordinators will act as the community response and liaise with the emergency services/local authorities as appropriate
- To identify actions required to minimise the harm from identified hazards or threats
- To identify resources in the community that would be available to minimise the severity of the emergency
- To establish and keep under continuous review key contact details for the Emergency Services, and Key Service Providers

In the event of a major incident in or near the Parish, Clayworth's Emergency Response Group (CERG) will activate the Plan after contacting the appropriate authorities in the event of an incident in or near the Parish:

Police/Fire/Ambulance : 999
Nottinghamshire Resilience Officer: 01296 382693

Distribution List:

The Parish Clerk: Edward Knox
Chairman: Edwin Rose
Deputy Chairman: Eve Moralee

Councillor Sarah Brack

Councillor Peter Wilkinson

It is important to note that **people should not put themselves or others at risk** when preparing, testing or using this plan

Useful Numbers:

Name/Contact	Role	Daytime Contact Number	24 Hour Contact Number
Emergency Services		999	999
NHS 111	Health Advice (Non emergency)	111	111
Local Police Station		101 Extension 318 0958	101 Extension 318 0958
Local Fire Station		0115 8388101	0115 8388101
National Grid	Power Emergencies	0800 6783 105 / 105	0800 6783 105 / 105
Anglian Water	Water Supply	03457 919 155	03457 145 145
