a) Police Report – May 2019

| Vehicle Crime 1 | Road Traffic Incident: 6 | ASB Nuisance: 1            |

| Theft: 0        | Burglary Other: 1        | Suspicious Circumstance: 1 |

Cllr. Potter said there is a pattern of rural crime across Shropshire and he has asked for more focus to be put into tackling this organised crime.

## b) Shropshire Council

Climate Change – at full council in May, SC declared a climate change emergency. A number of ideas have been discussed.

Bus consultation – decided not to implement bus service changes proposed but P & R will go from £1.60 to £2 but most users get a concession. However, public transport as a whole does need reviewing at it is heavily subsidised in some areas and there is a need to look at other options such as on-demand services.

There has been debate in the press regarding valuation of the shopping centres. From SC's perspective, it is about place shaping not investment in the retail industry. Riverside will soon be demolished. Income from the centres remains stable but businesses are being moved out of Riverside. The aim is that one shopping centre will be focused on retail and another on leisure uses. This may include moving Smithfield Road from riverfront backwards. The High Street performs well and better than other high streets.

SC Planning Committees are reducing to 2 committees, north and south. This parish will be in the north area.

### c) Youth Club

Cllr. Gilbert said the numbers attending each session are still good. A trip is planned to West Midlands Safari Park on 14<sup>th</sup> July. The club have bought a basketball net and some scooters. There is an issue as the Bring Bank Bins have gone from the Village Hall car park and bottles etc are being left by where the bins where and being blown all around the car park. Cllr. Potter said that Veolia should be going around the sites to check. Cllr. Potter said people are meant to be using household recycling and notices are due to go up.

#### d) Parish Councillor Reports

Cllr. Brooks attended the Baschurch PC meeting re the CIL money for a larger doctor's surgery. Baschurch PC is asking for CIL from Great Ness & Little Ness PC towards it. Cllr. Brooks had highlighted that some parishioners go to Prescott Surgery and others to Knockin Surgery. Cllr. Brooks has asked them to invite us to any future meetings. A major barrier is getting CCG support. It was agreed to have this as a standard agenda item going forward.

| Milford<br>Bank/Bridge –<br>blocked drains | Ongoing | Reported to SC Highways.  SC have advised Milford Bridge repairs have been programmed to start on 1st July 2019 and are expected to last for up to 6 weeks.  The repair works will involve taking down and rebuilding the collapsed section of retaining wall and reinstating the carriageway.  Due to the nature of the repairs a road closure will be required for the duration of the works. While the road is closed traffic will be diverted via Little Ness and the B4397. You can view the closure and diversion route by clicking here: <a href="https://roadworks.org?tm=113639908">https://roadworks.org?tm=113639908</a> Access over the bridge for pedestrians and dismounted cyclists may be limited at times particularly during excavation on the carriageway however the contractor will accommodate as much as possible.  The contractor carrying out the work will be Kier with supervision being provided by WSP on behalf of Shropshire Council.  Advance notice signs will be erected at the bridge 2 weeks prior to works commencing and an information letter will also be delivered to local properties. |

| Broadband                      | Completed | Faster fibre broadband is now available to order in Hopton via Cabinet 4 of the Nesscliffe exchange, serving circa 20 properties.  To make the switch to fibre broadband, people will need to contact their chosen internet service provider to upgrade their broadband package, the broadband speeds won't increase automatically.  Parishioners can visit: https://www.homeandbusiness.openreach.co.uk/fibre-broadband/when-can-i-get-fibre to check the availability of fibre broadband.  The fibre network that we've commissioned is open to all internet service providers, so we recommend that people shop around to get the best deal for them by using a comparison website, such as:   |

| Footpath opposite The Crescent | Ongoing   | See emails below between developer and Footpath Officer  Email from Berrys (agent for Shrewsbury Homes) to Shrewsbury Homes, including email from Footpaths Officer:  Morning Matt  Hope you're well. I have received an email from the rights of way dept at the council and they are complaining that the footpath that runs along the entrance road into the site at Nesscliffe isn't open to the public and that the temporary diversion isn't available to use either. Kate Nore from the council has commented as follows:  The new line of the footpath is meant to run along a 1.5 metre wide strip of grass alongside the access drive footway, this does not exist, instead the footway has a wooden fence running alongside it and security fencing in front of it  It then should run straight ahead to the edge of the site boundary and a gate which will take it out into the adjoining field, there is no gate and the site office, security fencing and dumped materials blocks its way. The alternative route that was available in the adjoining field is now non existent due to the building of the second phase houses.  The second phase housing seem to be very close to the line of the proposed footpath and my concern is if a 1.5 metre strip of grass is put alongside the access drive footpath it will pretty much be running over the front of a property.  I am most concerned with the situation and we need to talk about this as a matter of urgency, firstly a temporary |

| •        |   |
|----------|---|
|          | closure does need putting back in place as currently the footpath cannot be used and secondly the line of the proposed route needs to be sorted so that it accords with the legal order that has been published. Until that is done I am unable to certify the route as operational and confirm the legal order.  Kind regards  Kate Nore  Land Charges & Planning Support Officer  Are you able to make either the diverted footpath open and available for use or the temporary route available for use given her comments?  Email to Footpaths Officer from Developer:  Dear Kate,  It is my belief that once the pedestrian footpath along Ridgewood Road (adjacent to phase 2) is complete, the public footpath will be in its correct place? As there are ongoing utility connections and the driveways to install for phase 2 it is not safe to allow pedestrians to walk on and off a building site.  The attached pictures show the temporary route of the footpath that has been in use for some considerable time, with the kissing gate installed. The pictures also show the clear usage of the kissing gate and footpath, so I am not sure who is complaining that the footpath is closed!!  Kind regards,  Mathew Morris |
| May 2019 | Director  Reported to SC Highways   |
| May 2019 | Mark Foxall of SC has advised as follows after an inspection of the grounds:  The grounds aren't great and someone has clearly taken it upon themselves to mow around many of the graves, however it seems they may have tipped the grass in a line on the portion of the cemetery that is not yet interred intothis hasn't helped the appearance.  I've put a call into Shrewsbury Town Council to see when the cemetery was last done and to see when next due, I've had to leave a message so will come back to you when I've heard. Whilst out I've also been to Minsterley, Westbury and Alberbury, they were all cut shorter than Great Ness so I think it must be due quite soon.  Also I know the bench at Great Ness is in very poor appearance. A family has enquired recently about purchasing a new memorial bench so I'm awaiting to see if they proceed, if they do I'll simply remove the existing bench. Any new bench will be put at the end of the main   |

|  |          | the cause of the lichen. If the family do not proceed with a bench it will be a decision on if to replace at SC cost or simply remove?  Wooden gates to the Shropshire Council cemetery at Great Ness have recently been removed to effect a repair/service. Not sure exactly how long this will take as will depend on extent of repairs required. Will be reinstated as soon as possible.  |

| Defibrillator at<br>Wilcott army<br>camp | May 2019 | Camp will move it to outside the fence and re-connect electrics but the council need to find a suitable object to mount it on. I have emailed the Ambulance Service for advice on where to source this.  |
| RoSPA inspections                        | May 2019 | SC bill calculated wrong as based on fortnightly checks and the PC ordered monthly– response awaited   |
| Shropshire<br>Homepoint                  | May 2019 | The Housing Allocations Officer has emailed as follows:  "We have a property coming available for social housing rent in Sunny Bank, Little Ness. As we have a very limited number of properties in Shropshire we do not currently hold a waiting list for the area. I have approached Shropshire Homepoint about advertising the property. I am contacting you as I thought you may be aware of a local family in need of a 3 bedroom house. If you are, please pass them my contact number in order for me to discuss their housing needs with them and assess their suitability for this property. My direct number is 01686 620527." |
