- 2.3 An ERB is issued and includes the right to erect a memorial, although permission is still required from the Parish Council regarding the details and measurements. An ERB is purchased at the time of the first interment in a new grave and owned by an individual and/or close relative and is issued for 99 years. Only the person named on the Certificate may apply for any further interment, memorial, inscription or any other changes to the burial plot.
- 2.4 With new graves an ERB Certificate will be issued to the owner and this needs to be produced to the Parish Council when further interments are to take place or a memorial is to be added.

The means of transfer can be very complex and while there is a set procedure to follow, each case must be looked at individually. If you need to transfer ownership you will need to contact the Parish Office. It is possible to transfer the ERB whilst the owner is still living. If you wish to discuss this please contact the Parish Office. A fee is payable for this service.
