Congratulations! Samantha Rickett will be 21 on the 4th January; Very many happy returns of the day!

Congratulations to Katy Gallimore and Jonathan Turner who got engaged in November 2006 and are getting married in the summer!

The Poppy Collection raised £197.35 - this is the most I have ever collected so far! Thank you to everyone for your generosity. Thank you also to my son Nick for driving me round the village on his day off. - Dora Rylatt.

Halam Parochial Church Council and Halam Parish Council would, once again like to thank Steve and Sally from **Crink Lane Nursery**, for their generosity in providing the spectacular tulip bulbs in St. Michael's Churchyard and the Village Hall box. Happy New Year to everyone in Halam from Steve and Sally at Crink Lane Nursery!

Thank you to everyone who bought a Halam Calendar to raise funds for the church organ. These are all sold now and raised approximately £700! I would also like to express grateful thanks to Rosamund Mcfarlane for the lovely photographs taken over the last year which made it so special to Halam and Andrew Paris for typesetting and printing. It was a real village effort. - Karin Davis

Thank you to all the children and instrumentalists who gave up time to come and practice and made the crib service so lovely this year. Well done everyone! - Karin Davis

Parish Council Meeting: 8th November 2007

Present: S. Bust, A. Fraser, D. Herbert, G. Herbert, A. Paris D. Parrish. **Apologies:** M. Thompson

Matters Arising: 1. Duck Signs – pending for next year. 2. Gray Lane – Highways Dept., County Council has now cut back the hedges. 3. Back Lane footpath – fallen tree: landowner has been given 14 days notice. 4. Footpath bridges – these have been checked and passed. A new handrail had been added. 5. Allotments – ditches have now been cleared.

Village Hall: Marina Thompson has been progressing this – full report at next meeting.

Games Night: A very successful and enjoyable evening – around £200 was raised which will be split equally between the Church Organ Fund and the village hall refurbishment. Many thanks to all those involved.

Design Statement: Unanimously agreed to proceed with a Village Design Statement; the concepts of Village Envelope and/or Conservation Area will be reconsidered as the VDS scheme progresses. Andrew Paris will approach original Parish Working Group to see if they would be prepared to help.

Notice Board: This is almost ready and will be erected early in the New Year.

Flooding: Various flooding issues were discussed

Open Meeting: Matters discussed:- 1. Christmas tree – Simon Bust and Pat Rickett were thanked. 2. Position of the interactive speed sign. 3. Further appropriate traffic calming measures. Parish Council will contact the County Council to progress.

Planning: Halam House Farm, Radley Road: demolition of existing building and build 3 new dwellings & associated garages/access roads (revised scheme) – rejected unanimously. Parish Council disappointed that the developer doesn't seem to have taken onboard the comments made last month, and that the new proposal does not address any of the areas of concern previously highlighted, i.e. 1. new proposal does not have a mix of houses the previous one had, and does away with the agreed semi-detached, smaller properties; 2. Proposed new houses are too large and too tall; 3. loss of the existing old wall; 4. Blue tiled roofs would be out of keeping with the rest of the village; 5. Possible creation of drainage/flooding problems. 6. Archaeological investigation of site required; 7. Protection from further development of the land further up the hill required.

Finance: It was agreed that the precept for next year should be kept the same as last year. It was unanimously agreed to pay: 1. printing bill for Games Night; 2. Neighbourhood Watch subscription

Date of Next Meeting:- Thursday January 10th at 7.30pm

Photographs from the Halam Millennium collection

These photographs show the children, parents and staff (and Father Christmas!) of Halam School enjoying their Christmas celebrations in 1947. I do not know whose collection of photographs they have come from and would be most grateful if someone would let me know. Unfortunately they are not in very good condition and are damaged – if anyone has copies of these photographs in better condition and can tell me anything about them that would be wonderful. I am still collecting photographs for the archive if anyone has any to add and possibly print in Halam News – I will scan them into the computer and return the originals to the owner. – **Karin Davis**

Thank you to Paul Thutlow from Caunton Garden Centre who last year donated daffodil bulbs to the village - we are anticipating a lovely show of bulbs in Spring - not long now!

HALAM SCHOOL REPORT

We all welcomed Mrs Webster back with open arms to see our Nativity - 'Sheik, Rattle and Roll', in December. Both shows were a success thanks to her brilliant directing skills! Thanks to the Morris Dancers who represented Halam School on Plough Sunday.

All Halam School pupils are looking forward to Science Week (starting on Monday 4th February) and a visit from Star Links Planetarium on the 5th of February.

The NSPCC Representatives will also come in on the 6th to tell us about the Sponsored Spell on the 20th February to help raise money for the NSPCC. It has normally been quite good fun in the past years and raised a good amount of money.

If you are unable to attend any of the monthly meetings but wish to make a comment, draw our attention to something within the parish or ask a question then contact us by phone or email us at halampc@gmail.com .

NEW EDITOR NEEDED!

Halam News is an entirely independent newsheet funded entirely by private donations and advertising sourced by its editor. My policy has always been to print anything individuals offered provided they were prepared to put their name to it. Sometimes pieces are amended to fit available space but I have never sought to change the message of anything given to me or abuse my editorial position in any way. I have produced and edited this publication as fairly as possible, with support from Copyright Print, for 4 years.

Last month remarks were made at a public Parish Council meeting about my editorial position to which I have taken strong exception. This was during discussion of a letter which I had written to them. I intended to include a piece this month (as is my right surely - the same as everyone else in this village?) but instead have privately funded a separate copy of my letter for everyone to see what all the fuss is about. You may not agree with my sentiments in the letter, but I hope you will all defend my right to express them! I have no idea why Parish Councillors felt they had any right to discuss Halam News or its editor - in 4 years they have not offered me one penny in funding for the News and only 3 of them - David and Glenys Herbert and Andrew Paris - have sponsored editions. Yet they continue to expect to occupy on average a third of the space. I have had neither thanks nor appreciation at any time from them in spite of the huge amount of voluntary time I devote each month to its production. I hope I have, on the whole, delivered a publication which villagers feel was worthwhile.

As a result I feel it is time for me to stand down as your editor and appeal for someone to replace me, or Halam News will fold and the village will lose what I have always felt was a valuable amenity. A fresh approach to the newsletter will be most welcome to everyone I am sure!

Yours sincerely
Karin Davis

MOBILE LIBRARY.

The mobile library van visits Halam every two weeks on Friday at 11.00am and parks outside the village shop for 10 minutes then goes up to the Sharmans' and then on to Oxtou. It comes on the same week that recycle bins are collected which will be 10th and 24th of March this month. It has a fabulous collection of fiction, non-fiction and talking books etc - the stock changes on each visit.

It is currently used regularly by two people. It is a very useful service and a great boon to the village and I would urge fellow villagers to use it as often as possible - failure to use it will mean the end of the service. When the service is discontinued it will be unlikely to start again.

HALAM SCHOOL 'DIG IT' PROGRAMME FLOURISHES

Thanks to consistent fundraising support from the school's families, friends and wider community £1850 has been raised from PTA events held to date this academic year. This has enabled the school to progress with their 'Dig It' campaign supporting Government led outdoor learning initiatives to encourage children into 'the Great Outdoors'.

Children from each class recently joined the 'Living Willow' construction team in planting Halam's very own Living Willow learning zone in the schools' grounds. Funded by the PTA, the structure is visible from the School Lane boundary and will provide a 'natural', sheltered play area and outdoor classroom facility for many years to come.

Work is also about to start on the revamp of the Millennium Garden. The intention is to create a safe and interactive seasonal display. If anyone feels able to volunteer for digging or planting duties please contact the school office.

The next PTA event will be a sociable affair with a family walk on Sunday 27th April 2008. It will start with all important bacon butty and then there will be a choice of a steady 5km or an energetic 10km route setting off from and returning to the Old Reindeer at Edingley. All are welcome so put the date in your diary and watch out for more information.

PARISH COUNCIL MEETING: 7 FEBRUARY 2008

Present: S. Bust, G. Herbert, D. Parrish, M. Thompson.

Apologies: A. Fraser, D. Herbert, A. Paris.

Matters Arising: 1. Pavements up Halam Hill – work still needed. 2. Back Lane Footpath – Footpath officer is aware and will write to the owner; Clerk to check position. 3. Back Lane – 'Unsuitable for Long Vehicles' Signs: advised it is possible to have 'Unsuitable for HGV' signs but will cost PC £395. Attending Officer suggested situation is monitored – D. Parrish to keep a record & contact C.Cllr. Stewart to identify those present at meeting & take up signs with them. 4. Culvert at Norfolk House still needs clearing – County Council to come out again. 5. Flooding & state of Beck – Chairman advised that Drainage Board are happy with work done so far but have not cleared debris from under the road bridge; following an inspection there is a lot of rubble (washed down) still to be cleared. G. Herbert advised that a complaint had been received about trees overhanging & breaking off along the Beck from Gray Lane bridge down to the ford – area is due to be cleared in autumn 2008

Village Hall: M. Thompson advised that a smaller grant application (£18000) for external building work and damp improvements was being sought from Veolia Trust. She suggested a better approach might be to apply for smaller grants for specific items. B&Q have been approached & are currently considering providing a new kitchen. Crown Paints approached for £500 worth of paint. M. Thompson will continue with WREN application for £50,000.

Noticeboard: S. Bust advised D. Islip has indicated the board will be ready by the end of the month.

Speed Watch: Waiting information from J. Whitaker. C.C. Highways say interactive sign will remain in current position

Open Meeting: Matters raised: 1). Parking at Turnpike, School and Radley Rd. 2). 'Better Communities' funding £25k at Norwell for 6 parking bays. Halam's problem is there is no available space for parking bays in the area of concern. 3). Speeding through the village - need for a 2nd interactive sign. 4) Concern raised re delay in replacing the signs for 'bend in the road', and 'narrow road' which have been missing for 2 yrs. 5) Concern raised about removal of a hedge at the top of Gray Lane. 6) Flooding along School Lane from the drain in the last heavy rain period.

Correspondence: 1) Parish Paths Partnership letter to be forwarded to C. Mercer by clerk. 2) Gotham P.C. – raised concern over draft EM Regional Plan – green belt is being reviewed around Nottingham; there is a proposal to remove some to allow extensive development. Details to be passed to A. Paris. 3) Letter from K. Davis re hall rental, state of the hall. Unanimously agreed Chairman will write, acknowledge letter & address concerns raised. Mrs Davis to be asked to give receipt for spoons to next meeting.

Planning: 1 Tremont, Back Lane: single storey extension and proposed dormers – rejected on grounds of 1) Over-development of site. 2) Intrusion of dormer windows on privacy of neighbouring property.

Finance: Agreed to pay NALC subscription

Date of Next Meeting:- Thursday 13 March at 7.30pm

Under new Editorship

I'm pleased to be the new editor of HALAM NEWS and would like to thank Karin Davis for undertaking this role for the past 4 years. I am however, saddened that my first issue has to include obituaries of our fellow villagers Mike Todd and Ron Atkins

Although only a small publication, HALAM NEWS provides a valuable service for the village and it is important that reaches out to all residents with accurate information. I will try to ensure that this is the case.

If anyone has any ideas for one-off or regular items they would like to see included in HALAM NEWS, please let me know.

HALAM VILLAGE HALL – AN UPDATE

As Halam Village Hall was the cause of some consternation in last months issue, HALAM NEWS contacted Parish Council Chair, Simon Bust, in order to get a status update:

Q : ***What is the current situation with the Village Hall?***

A : The Parish Council is committed to keeping the Village Hall as a facility for all villagers to use, but as everyone in Halam knows, it is really in need of improvement and the Parish Council is in the process of applying for grants from various bodies to help with the funding of any improvement activity. We have had some positive responses from some of the grant applications and the Village Hall is on the agenda to be discussed at every Parish Council meeting and what we are doing is reported in the Village News each month.

Q : ***What options are available to the Parish Council?***

A : The Parish Council has looked into various options for the Village Hall since the publication of the Parish Plan, and this included the recent village consultation on the proposal for a new hall on Ron Sharman's field, which didn't achieve enough support to move forward. No other sites for a new hall have been identified.

Currently the Parish Council is therefore going ahead with basic improvements to make the existing Village Hall more attractive and a better place to use, as well as making sure that it meets the requirements for buildings used by the public. It is intended that the improvements will include new kitchen and toilet facilities and redecoration, and some of the grants we have been looking at are specifically related to these areas.

The Parish Council intends that the improvements will make the Village Hall a nicer environment and that it will be used for more village social events and other activities. It will be important that villagers continue to support and run events/hire the hall when the improvements are finished, as the grant givers expect to see increased usage in the future.

Q : ***Why is it taking so long?***

A : The grant application process can take a long time, and we have to fit in with the timescales laid down in the process, plus the Parish Council wasn't able to apply for grants when we were looking into the possibility of a new building, as the grant givers would not have looked favourably on an application for a building which may have been sold. We now have requested multiple grants and we will continue to look for other sources of funding which we could apply for.

Q : ***Will the precept be going up to fund any of the work?***

A : The precept has been set at the same level for this year as last year and the Parish Council hopes that the grants we are applying for will be enough to cover the cost of any work that is done.

Ron Atkins

31st July 1930 - 18th March 2008

It is with sadness that we report that Ron passed away on Tuesday 18th March. Ron was born at Hill Farm in Halam and was baptised at St Michaels Church. He and Cynthia married in 1953 and they had three children Jane, Susan and Chris, two grandsons and twin great granddaughters. The family lived in Radley Road ever since their house was built. These are the basic facts, but alone they give away nothing as to the true nature of Ron

He was first and foremost a countryman. His father was a market Gardener and farmer at Hill Farm in Halam and his grandfather was a game keeper as was his great grandfather. Ron kept the family love for the country very much alive, working for many years at Radley Farm with the Tinleys as a cowman. He was forced to retire from this occupation after a serious accident, but he continued to enjoy beating on shoot days and following the hounds.

Ron did not take retirement lightly and was an early bird every day always walking his dogs at between 5.30 and 6 am every day and he took a fiendish delight in tapping on my study window at about 6 am everyday to prove that he had already been dressed and out walking whilst I was still in my dressing gown. If for any reason one met him whilst he was out walking, he would always stop for a chat and those chats often turned out to be deeply philosophical musings. He was a great believer in fresh air and the windows of his bedroom would always be wide open every morning even in the coldest of weather. The only time he would forsake the great outdoors would be in the evening at the pub over a pint and darts.

He was a determined and courageous man who made little of his physical infirmities no matter how great they became and in the end they became very great, limiting his mobility. It was that characteristic courage that allowed him to overcome knee surgery and make him once again most mobile

He was a loving husband, father, grandparent and worshiped his twin great granddaughters who gave him such joy and pleasure. He loved to be teased by them and the more he feigned crossness at their teasing the more enjoyment all three of them had. In short he was a hard working countryman whose God was the fresh and open air, and whose fellow worshipers included the Hunting Field; the pheasant shoot and Aston Villa F C.

"Lie down, lie down young yeoman;
The sun moves always west;
The road one treads to labour
Will lead one home to rest"
A E Houseman "A Shropshire lad"

A Sincere Thank You

I don't know where to begin to thank everyone who has given and offered their help and support to my family at this difficult time. From cards to messages of sympathy including recollections of happier times, to practical help and shoulders to cry on. I could not have found my way through this crisis so far without your help and I am proud to be member of this Village.

Carolyn Todd

Condolences

Condolences also go to the Sharman family on the recent death of Robert Sharman who lived at Hough-on-the-Hill and to Rebecca White (ex - Waggon & Horses) on the death of her mother Marion Hodson after a long illness.

Michael J Todd QPM

Oct 10th 1957 - March 11th 2008

A 'proper copper'. He did more to restore confidence in British policing than anyone - not just in Manchester either. Guts, determination, integrity and skill as a leader. (Derek, ex-policeman)

It is undeniable that Michael Todd was a very highly regarded Chief Constable. Anyone who has read the tributes paid to him by not only politicians, senior Police Officers and other high ranking officials, but also the rank and file officers that he commanded (such as the one above) cannot fail to have been moved by the sense of loss and sadness they conveyed.

Mike rose through the ranks of the Police from joining the Essex Constabulary in 1976 moving to the Metropolitan Police on an exchange scheme, and, having been recognised as a high flyer, moved to Nottinghamshire in 1995 to become Assistant Chief Constable at the early age of 38. Moving back to the Met he achieved the rank of Assistant Commissioner under Sir John Stevens, before being appointed as Chief Constable of Greater Manchester Police in 2002. He led his force by example, often going out on patrol, and strongly believed that the purpose of his job was to apprehend and jail criminals and terrorists.

Mike Todd as the world knew him

The Mike Todd we knew in Halam - having just scored a stunning goal in the "lads v dads" football game at a summer barbeque!!

At Mike's funeral in Halam on Good Friday, William Hill paid a very moving tribute to him on behalf of his close friends, capturing most eloquently the spirit of the Mike Todd we knew in Halam:

- **To our kids, Mike was the dad who whose car had hidden blue flashing lights and the one they all wanted to ride in (even the adults!)**
- **To us, he was the guy who worked with Carolyn to make their garden fit for a magazine feature but really wanted to make space for a Police TARDIS to be like Dr Who!**
- **He was a staunch supporter of Catherine, Matthew & David at Halam School and would always try to get back for school plays, sports day and other events & could often be seen in the school hall enthusiastically supporting them in the latest school production sat in a chair sized for a six year old!**
- **The miles he put on his Range Rover delivering kids to Tozer & Newark Operatic Society must have hastened its replacement!**

The Mike we knew was a character, larger than life with a great sense of humour, but he always managed to retain his professionalism whilst still acting and being one of the lads. Many of us from Halam were fortunate to share trips away and days out with Mike. Whether it was fun filled family weekends to Center Parcs, hilarious "boys" weekends in Munich or Dublin, regular Boxing Day walks around the village or summer barbeques, it was always a delight to be in his company.

Mike enjoyed living in the village of Halam, where he felt his family was safe from the focus his position could bring, where he could unwind with friends who respected the confidence he placed in them & where he was the dad who ferried his kids around on weekends, or played Warhammer games.

Mike Todd was the sort of individual who only comes along very rarely, the sort that whatever your connection, whether it be personal or work related, you felt incredibly proud to have been associated with him. He had an uncanny ability to fit in, to put people at ease, to provide help & advice but not use his position to gain advantage or status.

Although tragically taken early from them, his family can take comfort in the wonderful memories of a very special person, as we all will. Most especially the sight of the then Asst Commissioner of the Metropolitan Police skipping down Radley Road hand in hand with his twin boys having collected them from Halam School is something that will remain with us for ever.

Mike, may you Rest in Peace, the world is a lesser place with your passing.

Peter Thompson, Andrew Fraser, William Hill

**Fear no more the heat o' the sun
Nor the furious winter's rages;
Thou they worldly task has done,
Home art gone, and ta'en thy wages:**

**Fear no more the lightning flash,
Nor the all dreaded thunder stone;
Fear not slander, censure rash;
Thou has finished joy and moan;**

**No exorciser harm thee!
Nor no witchcraft charm thee!
No ghost unlaid forbear thee!
Nothing ill come near thee!
Quiet consummation have;
And renownéd be thy grave!**

People in the News

- Welcome to the Todd family who have recently moved onto Radley Road
- Congratulations to Gwen and John Beckett of The Turnpike who have become proud grandparents with the arrival of their granddaughter Penny who weighed in at 9lbs 3oz
- Congratulations also go to Steph McCracken who passed her driving test on Saturday 26 April, the same day that her mother entered her 50th year (so that's commiserations to Margaret then!!)

Robert Sharman

Thank you for all the cards and messages of sympathy received after the death of our dear brother. Bob was born in Halam, at Littledale Cottage, and christened in Halam Church. When he was 1 year old, he moved with his family (then 5 brothers and sisters) to New Holbeck Farm, and later attended school in Halam and Southwell. He was a keen Young Farmer and it was at one of their meetings that he met his future wife - Janet Wright. Whilst still at New Holbeck Farm they had 2 children - Julia and Jonathan, before moving to Grange Farm at Gelston. In later life they ran a very successful B&B and it was often mentioned that guests who came to breakfast either grumpy or not speaking to each other, would end up laughing and friends again after Bob's gentle teasing! Always full of fun and laughter, he will be missed by us all.

A celebration of weddings at Halam Church is being planned in aid of the Halam Church Organ fund. We would like to show wedding photographs of couples married at Halam at any time in the last 100 years and it is hoped that we may be able to exhibit as many as 100 weddings at least from that period. We would be delighted to hear from couples who have been married in that period or whose parents or grandparents were married at Halam, with a view to exhibiting such photographs. Original photographs would not be used but copies would be made and exhibited. An exact date for the exhibition has not yet been decided on but it is hoped that as many people who have connections with Halam can unearth those cherished memories and make them available to the Halam Organ Fund committee.

HALAM HAS A NEW NOTICE BOARD !

AFTER MUCH DELIBERATION, HALAM PARISH COUNCIL HAS INSTALLED A NEW NOTICE BOARD FOR THE VILLAGE. THE BOARD IS MADE FROM OAK AND STANDS OUTSIDE THE VILLAGE CHURCH; IT HAS THREE SECTIONS, ONE FOR OFFICIAL PARISH NOTICES, ONE FOR INFORMATION ABOUT THE VILLAGE AND ITS FOOTPATHS, AND THE THIRD FOR HALAM RESIDENTS' NOTICES AND POSTERS.

IT WAS PAID FOR BY A COMBINATION OF VILLAGE FUND RAISING AND DONATIONS FROM LOCAL COUNCILLORS. COUNTY COUNCILLOR ANDY STEWART GAVE MONEY FROM HIS ELECTORAL DIVISION FUND FOR LOCAL GOOD CAUSES WHICH WOULD NOT NORMALLY GET FUNDING FROM OTHER SOURCES. DISTRICT COUNCILLORS NORA ARMSTRONG AND BRUCE LAUGHTON SUPPORTED THE PROJECT WITH MONEY FROM THEIR COUNCILLOR'S ALLOWANCE FOR THE BENEFIT OF LOCAL COMMUNITIES.

Annual Parish Meeting, 7.00pm Thursday 10th April

Present: S Bust, A Fraser, D Herbert, G Herbert, A Paris Apologies: D Parrish & M Thompson

Matters arising

1. Lack of footpath up Halam Hill 2. Jubilee tree plaque – to be obtained 3. Road signs – County Council has no budget to replace the sign at the Edingley end of the village which was knocked down some time ago 4. State of the roads – some improvements have been made this year, especially Gray Lane 5. Spring at the top of Radley Road – needs piping out before next winter

Chairman's Report

1. Parish Council meetings were held monthly over the past year
2. The P.C. considered many planning applications – on only one of which the District Council went against the P.C.'s views
3. Parish Plan – village contacts leaflet had been put out
4. Design Statement – progressing
5. Allotments – dykes and drains have been cleared out this year
6. Village floods – little could have been done this year due to the amount of rainfall in such a short space of time, but the District Council has made better provisions for future problems and there is better liaison with Parish Councils. Some work has already been done on Halam Beck, and dredging under the road bridge is scheduled for the near future.
7. Parish Paths Partnership – Elaine Gathercole and her team have done an excellent job. The paths and gates are now greatly improved.
8. Village Notice Board – thanks to Cllrs. Andy Stewart, Nora Armstrong and Bruce Laughton. Thanks also to Andrew Paris and Declan Joyce for their contribution from the 2006 Halam calendar.
9. Game Night – held at the end of last year, was most successful
10. Village Hall – the greatest challenge facing the P.C. this year. The P.C. is determined to keep it open and plan to bring the hall up to a reasonable standard to increase its use. It will be improved as much as the limited funding allows.
11. Thank yous... the clerk, Pat Rickett for all his work and support; all Halam Parish Councillors for their input and various roles; John Whitaker for the Community Speed Watch Scheme; Alex Reid for keeping the bus shelter clean; County Cllr. Andy Stewart for his support and input at County Council level; District Cllrs. Nora Armstrong and Bruce Laughton for their support at District Council, especially Nora for her input with planning issues; residents of the village for their attendance at meetings and their input; and everyone who has helped in the smooth running of the Parish.

Hallem Church Organ Appeal

By the end of the month the Organ fund will stand at £19,373 and with gift aid still to be credited it will be approximately £21,900. We have a further guaranteed £1000 expected by the end of May.

We are approaching a situation where we will be in a position to commission the new instrument but in order to do this we really need have reached approximately three quarters of the total cost. There is a possible slot with the organ builders to commence work to prepare the instrument at the end of the year or early next year, but this will need to be confirmed as soon as possible. The building process will take about three months in their factory before they are ready to install it in church and this will take a further month to six weeks.

In view of this if you intend to donate to the Organ fund the committee would be really grateful if you could do so as soon as possible so that we can hopefully have the project completed within a two year period.

Many thanks to all those people who have already given generously and especially to the relatives of Michael Todd and Ron Atkins who supported Hallem Organ through donations given in their memory.

We are always open to suggestions and assistance for further fund-raising events.

Hallem Village Hall

The subject of the Hallem Village Hall continues to generate comment and correspondence to **HALAM NEWS** and opinions seem to be polarised between support for the activity currently being undertaken by the Parish Council and concern that the current building is just a "white elephant" which will be a drain on parish funds for years to come. The Parish Council has an "open session" at every meeting and so residents who want to make their views felt are encouraged to attend and have their say.

Title: Chasing the Light, Landscapes of Southwell

Photographs by Declan Joyce

'This exhibition is my celebration of Southwell and its surrounding countryside. I have lived and worked in the area for many years and have long been inspired by its atmospheric and elegant rural charm.

Observing the shifting patterns of nature is my passion. From sunrise to sunset I see the light travel across the land, revealing its changing aspects. Each season brings its own individual beauty and it is this that I want to share with you. I hope you enjoy viewing these images as much as I have enjoyed photographing them.'

Declan Joyce is a professional photographer with over twenty years experience. A qualified graphic designer he runs his own company, Declan Ltd, which specializes in landscape photography.
