Dear Ms K Furnass,

RE: ALLOTMENT: TUMBLER HILL - FOI Request

As a FOI request, I would like to see notes on the following:

- 1. Which plot holders were written to at the same time as (plot numbers will suffice as confirmation)?
- 2. The reasons why a letter was raised to other plot holders.
- 3. Was your letter request brought to a satisfactory conclusion?

I believe the above request is quite simple, does not break any GDPR laws and I expect to have your written response by 19th April 2019.

Yours sincerely

Kelly & Debbie Alford
