Appendix A

Report from Bridget Thomas, Burford Parish Council Chair.

Councillors Thomas and Roberts along with Burford Parish Clerk, (Gaynor Long) had a meeting with the Ludlow MP, Stuart Anderson, at his Office in Ludlow on Friday, 13 February. This was primarily to discuss the proposed development of 100 houses in Burford and to gauge his commitment in challenging this application at County Council level. He was firmly of the view that due to the huge amount of flooding over a period of years in the fields either side of the A456, including flooding of the main road, an application should be rejected. This, he realised, could be an uphill struggle due to the Government Directive regarding land supply for housing. Shropshire Council appear to be in favour of the application. Stuart agreed to a site visit in 2 months' time where we are hoping Charles Shackerley Bennett will also attend.

We further discussed the possibility of flood attenuation/alleviation of the 4 Shropshire tributaries of the River Teme, of which he is very much in favour and will be pursuing the work already earmarked by Severn Trent and the Rivers' Trust.
