Green Team - G&F MxT League Div 2

Green Team G&F MxT League 2018 Div 2 Table

Team	Pl	W	T	L	RW	RT	Shot Diff *	Points
Lockwood Gold (DC - P)	14	11		3	37	2	265	164
Lockwood Green (P)	12	9	1	2	32	1	189	145 (141?)
Forton Gold	14	8		6	32		-11	128
Gosport Blue	13	7		6	29	2	33	116
Gosport Amber	13	6		7	21	4	11	88 (94?)
Rowner Yellow	13	4		9	18	1	-88	* 87 (69?)
Bridgemary Yellow (R - tbc)	14	4	1	9	20	3	-145	* 79
Crofton Green (R)	14	3		11	16	1	-206	57

Following promotion at the end of the 2017 season, Green team are in Division 2 for 2018.

Table above (data taken from League Tables published by G&F League Sec), as at 17 August 2018, has apparent errors:

- not all teams are shown as having played 14 matches; the expected total for all eight teams is 112.
- the total number of matches shown as having been played is 107 (an odd number); whereas it is typical that the number of matches recorded as played across all the teams in a division is an even number.
- shot difference totals are +22; this appears incorrect as the typical total shot differences in a league table will always total zero.
- points total for Lockwood Green is shown in the League-published table as 145, but is calculated from the data to be 141
- points total for Gosport Amber is shown in the League-published table as 88, but is calculated to be 94 from data shown; it may be they have been given a 6-point deduction
- points total for Rowner Yellow is shown in the League-published table as 87, but is calculated to be 69 from data shown (!)

After each team has played 14 matches, two teams are promoted, and two teams are relegated.

At the top, where matters don't really concern us, Lockwood Gold (as Division Champions) and Lockwood Green are promoted to Div 1.

At the foot of the table, Crofton Green and either Bridgemary Yellow or Rowner Yellow are relegated to Div 3.

- * Bridgemary Yellow are shown as having 79 points, and Rowner Yellow as 87, although Rowner Yellow's data shows a calculated points total of only 69.
