

Lower Halstow Parish Council Proposed Planning Strategy - Public Consultation Summary of responses and action

| Respondent Name | Parish Council summary of representation | Parish Council response | Parish Council actions |
|-----------------|--|---|------------------------|
| Mr Keith Tress | 1. Notes that it is a good document aiding consistency in decision-making | 1. Noted | |
| | 2. Has questions about Paras 1.4 - 1.6 'village confines' and 'whole village'. | 2. This is the local plan reference to 'built confines' and the strategy is intended to cover the entire Parish. | No change to document |
| | 3. Queries the word 'incremental' Para 2.1. | 3. Incremental means in addition to some buildings/houses/business that are already there or adjoining. 'Limited' restricts it to these circumstances only. | No change to document |
| | 4. Asks for section 3 to include discussions with applicants prior to submission. | 4. This is not a function appropriate to a Parish Council and should be directed to the LPA in the 'Pre-App' format. The strategy is intended to give a clear indication about the acceptability of development proposals by setting out the assessment criteria. | No change to document |
| Mr Mick Drury | 1. Offers full support for the strategy and wishes to see it adopted by the council as policy. | 1. Noted. | No change to document |
| | 2. Considers the proposals and assessment criteria will help provide objective and consistent council views | 2. Noted. | No change to document |
| | 3. Welcomes the consideration of smaller scale development to assist village viability whilst preserving village 'values'. | 3. Noted. | No change to document |
