

Devon County Indoor Bowls Association

Treasurer's Report

For Exec Meeting 30-JAN-2023

Total membership (1507) held up this financial year (2022-2023) with no further attrition. There was a slight increase in membership (of 23) from 1484 (2021-2022).

Consequently we are currently in a decent financial position to meet ongoing and anticipated expenditure (likely, possible and probable) through to November when affiliation (virtually our only source of income) will provide the next significant injection to DCIBA finances. We also have cover up to a certain point for unexpected exceptional expenditure which of course cannot be anticipated.

Significant likely spend before the end of the season will be gladly provided should either or both of our inter-county teams reach the Nottingham finals in respect of the Liberty and Over-60s knockout competitions.

David Butterworth
County Treasurer
