

Moulsford Events

Nigel Baker

Firstly, a very happy Christmas to everyone in the village and beyond.

All being well, this will be a more traditional family and friends get together, unlike last year. Indeed, in view of this the Events Committee are looking forward to putting on festive cheer, but we will be asking for some common-sense precautions where possible with Covid still present, so please think about popping a face mask in your pocket if you can.

Up first is the Gala Night on Friday 17th December, with over 100 tickets sold, it's going to be a fantastic event. There are a few tickets still available or you can be put on the reserve list; please contact barbara.leslie@hotmail.co.uk.

Then, we are delighted to welcome back the traditional Christmas social on Wednesday 22nd December, beginning with carols at 5pm at Moulsford church (kindly asking where possible for adults to wear masks please), and then from 6pm all gather at the Pavilion for a Christmas take on the usual social. I am reliably informed a certain Father Christmas will be in attendance and for the more grown up villagers, a festive bar serving Mulled Wine and fine Christmas Ales and wine. We will be offering beer from Amwell Springs brewery, Cholsey; Andy at Amwell has kindly offered to drop off villagers' pre-paid kegs to the Pavilion for collection at the winter social night, just mention this to the Amwell team if you're placing an order.

After all the festive eating and drinking, join us for a lovely occasion to walk it off: none other than the Boxing Day walk to the renowned Bell at Aldworth, meeting 10am at the red letterbox in Underhill. Going into the New Year, we are pleased to announce the resumption of the winter socials to keep us going through the long dark weeks; every 3rd Friday in the month starting 21st January from 6.30pm at the Pavilion, then Friday 18th February and Friday 18th March. We look forward to seeing you there.

As we come to the end of another challenging year, I would like to take the opportunity of a heartfelt thank you to the members of the Events Committee and its support teams. It has been a joy to work with you all and you have given so much time, commitment, and enthusiasm to helping ensuring Moulsford remains a very special place; your efforts are much appreciated. And not forgetting, thanks to all the folks who have turned up as well to make all the events a success! We have some exciting plans for 2022, so we're very much looking forward to enjoying Christmas and seeing in the New Year with some proper Moulsford cheer!

At the November meeting we co-opted Sue Powell to Moultsford Parish Council which means we are now at capacity. Sue, having lived in Moultsford for around 25 years, currently is secretary of MEC, a regular contributor to the debate around the recent use of the wharf at MPC meetings and is often seen walking her dog in Moultsford, so she is well-known to many of us. We are very pleased to have her join the parish council.

The parish council has continued to pursue effective solutions to traffic and parking issues in Moultsford. We expect to see the introduction of a single white line in Ferry Lane (as described in last month's Moultsford News) very soon, hopefully in time to ease the Xmas parking in the vicinity. We are interested to understand how helpful this measure is particularly for the residents and regular users of the area. Do please provide us feedback by email or by attending the MPC meetings to tell us your experience in person (scheduled MPC meeting dates at the back of this newsletter).

At this point it should be noted that MPC normally do not schedule a council meeting in January, however this can be reviewed and should there be an obvious requirement then a meeting will be arranged and communicated to the village.

Throughout the pandemic/lockdown/restriction period, with people working differently and changes being made to the normal way of doing things, the usual means of communicating with the village were occasionally not adequate or not possible. A good example is the parish council meetings, normally held in-person in the pavilion. For social distance reasons, following government guidance, these had to be moved to meetings over video-conferencing. The upside to this was the attendance. We were very pleased to see attendance increase with villagers requesting logins to join us. Moultsford was very much in step with what was going on around us as society generally became much more accepting of new (digital) ways of doing things.

With our freshly acquired willingness to use digital, MPC are keen to make the parish council website (www.moultsford-pc.org) the go-to place for answers and up-to-date information on Moultsford village. That doesn't mean dropping our normal channels – Village Noticeboard, Moultsford News, Moultsford Village Facebook – which will carry on as normal. It means giving villagers a constant place to go for everything from links to services like Fixmystreet and refuse collection, local interest like North Wessex Downs AONB, SODC and OCC, to current information such as events in Moultsford, planning applications and decisions, urgent notices such as playground equipment out of action. We will be getting onto this shortly and would be pleased to hear from you if you have recent, relevant experience and would like to share your top tips! Please email the clerk: parishclerk@moultsford-pc.org to get in touch.

As this is our last edition of Moultsford News for 2021, MPC wish you all a very good Christmas and a truly happy 2022.

Tree news!

At last our new trees have arrived, delivered in a remarkably small box by a postie who was highly surprised to learn he was dropping off an entire small woodland of some 100 little trees! With the delayed delivery, we have obviously had to reschedule the planting and with the onset of Christmas preparations and celebrations, plus the increasingly unreliability of the winter weather, we are now aiming to hold the planting in the New Year. We anticipate this will be in February, while the trees are still dormant but with spring on the way.

The new trees are now heeled into winter quarters to await their big moment in a couple of months, but work at the Rec has already got underway in anticipation of their arrival. A few hardy village souls have been out during November starting to prepare the Rec woodland edges by stripping down ivy, clearing back deadwood, removing old tree guards and starting to spread chippings under trees and lay down the foundations of dead hedges and woodpiles. Thanks for your time and efforts everyone!

If you're interested in getting involved in the Rec woodland work, do watch out in your February Moultsford News for a tree planting update. You can also get in touch with Jo Baker at jbaker@moultsford-pc.org.uk to register your interest and get the latest news direct to your inbox. Thanks to those who have already been in touch and we look forwards to getting everyone together next year to get those trees in the ground at last! In the meantime, wishing you all a great Christmas and Happy New Year!

Cranford House Junior Day of Discovery: Wings & Wheels

The sights and sounds of unique motorcars and wonders of aviation were enjoyed by families attending a free fun-filled community event right here in the heart of Moultsford Village on Saturday 6, November. The Junior Wings & Wheels Discovery Day event hosted by Cranford House brought to life an impressive and rather eclectic assembly of iconic aviation to unique land based vehicles of all types displayed across the school grounds. A multitude of hands-on activities were on offer for children of all ages from science experiments, t-shirt printing, flight simulator to steam engine rides. It's not every day that one sees a full-scale WW2 Spitfire parked next to the 10m long land speed record Bloodhound rocket car. As impressive as an RAF Jaguar cockpit or Aston Martin Formula 1 car is, the most memorable part of the event was the enthusiasm on display by all the wide-eyed children who engaged in the multitude of activities. What are the school's plans for next year's Discovery Day you say, I guess all will be revealed next November. Did you attend the event? Here is the online photo album: <https://flic.kr/s/aHsmX6pF8A>

A young visitor's view:

After visiting Wings and Wheels, Will (confirmed petrolhead, 8), said: "It was awesome, even better than the last one. I loved that there were games for the kids, but the best thing for me was the BRM V16*, definitely the best car I have ever heard - listening to it on the headset made me feel I was at a race."

Henley and District Stamp Club

Philately (stamp collecting) is fun if you do it with other collectors and will certainly increase your knowledge of all kinds of things such as Art, history, geography, design etc.

If you collect on a theme or postcards your interest in the subject will widen considerably, as you research into it, to write up your collection.

Do come and visit us one Wednesday evening at Bix and see for yourself the wide scope that this hobby has.

Our programme is still in progress and the subjects will be on our website very soon.

Meetings are held the 2nd and 4th week of the month at Bix Village Hall at 7.30 p.m. Visitors and new members are welcome.

Further details can be obtained by phoning 01491 681739 or on our website www.henleyphilatelic.org.uk

WALLINGFORD COUNTRY MARKET is open each Friday morning in St. Mary-le-More Church, (Market Place), between 9.30am - 12pm.

With Christmas on the horizon, why not let Wallingford Market help take the strain? Christmas orders can be placed for seasonal and other home baked goods from November onwards.

In addition, as well as our regular seasonal plants and produce items, fresh Christmas decorations and wreaths will be available from December.

Our Crafters are busy making small hand-crafted gifts and cards. Do pop in one morning - you may be surprised at what you will find. Our last market for 2021 will be Friday, 17th December, but orders can be placed for delivery the following week by arrangement with the producer. We return after the Christmas break on Friday, 14th January, 2022. Country Markets BAKE, CRAFT, GROW. We are currently looking for new producers.

If you have any of these skills and feel that you may like to join our team, we would love to hear from you. For further enquiries, please contact Alison Broadbridge, our Market Manager, (email: alison.broadbridge@gmail.com), or come in and speak with her, or any of us, one Friday morning. We wish all our customers an enjoyable Christmas and a very happy and peaceful New Year!

Elli the Gardener

Hi guys! This month is a special puzzle edition. You can do the puzzles to test your knowledge on plants, wildlife and, of course, gardening. I will show the answers for the last quiz next time.

See you next year and have a very merry Christmas!

Christmas in Moulsoford

Moulsoford Ladies Christmas Supper

Wednesday, 8th December at 7.30pm

Ladies, as we were unable to celebrate together last year, we are delighted to re-instate this event. The new venue will be the Moulsoford Pavilion, festively decorated with subtle lighting, delicious food, and good company.

Ticket price of approximately £10 will include a glass of bubbly on arrival, a main course, table service, and hall hire with decorations. We invite everyone to bring their own wine, and either a plate of canapes or a dessert to share.

To book your ticket and to help us to plan the final arrangements please email by 24th November to lesley.longden@yahoo.co.uk or call 07846 516895

CAROLS IN THE CHURCH, MULLED WINE, MINCE PIES and FATHER CHRISTMAS in the PAVILION

22nd December at 5.00pm

We all love singing Christmas carols and this has been a great evening in the village for the last few years with the church being very full and with the children performing brilliantly.

We hope it will be this year, it not being possible last year, but the building is a small space, not easy to ventilate. We all want to be well and Covid free for Christmas so we would encourage people to wear a mask in church and if possible do a lateral flow test beforehand.

GO MAKE A DIFFERENCE

IN TANZANIA

Our local garden centre Root One have joined together with GOMAD (Go Make A Difference in Tanzania) to help farmers in Tanzania grow their way out of poverty. By creating sustainable forestry some of the worlds poorest people will not only benefit environmentally but will also have a resource to sell for vital food and medicines. If you make a small donation of £5 at Root One, this will not only plant a tree in Tanzania, but Root One will match your donation and plant another tree.

This initiative feels particularly timely as we perhaps buy our beautiful Christmas trees and can give back a little by planting a new tree at the same time.
