### **3. Presidents Report – NTR**

#### **4. Secretary's Report**

We have had 2 clubs on the peninsular email to say they are unable to provide teas/coffees for league games due to lack of volunteers, I was at a game on Monday, there were 36 players and numerous spectators, the announcement was there were no volunteers to make hot drinks, but don't worry the bar is open.....

This is not something I would like to see happen at GBC and I feel this is the time continue our level of hospitality in all we do. A minimum of tea/biscuits and continue to offer more as we do for men's league games

The cub/scouts have a pencilled in "come and try" evening on 8<sup>th</sup> July on the AWG. 19 excited juniors!

An update on membership is that we have a current total of 107 members, and 18 social members. With an increase of members YOY its imperative to contemplate how we future-proof this and sustain the level of commitments for our members.

I am sure we all recognise the need to address certain challenges to ensure the clubs longevity. As we strive to drive the club forward which including friendlies, open days, competitions and roll ups, with the use of the kitchen for hospitality. These all require volunteers and I personally feel now is the time to succession plan for the future. Time will be invested to ensure we do as much as we can to keep the club running and sharing the workload.

the bar. The Men's Top club against Leigh Park being the first casualty of the weather last Sunday the balance between when you cancel and when you go a head going against us as weather proved to be okay, this has now been rearranged for Sunday 5th. The First Team opened their campaign against Vosper's last night (Friday 3rd) The Crofton friendly with a little ducking and diving on the day due to health issues went off well and once again all I heard were great comments thanks to Rita and Chris for their tea coverage and Bob for the bar. On the friendly note I have had a discussion with Pete that although Friendlies are good for the club I was concerned at the number that were taking place on a Saturday afternoon as this has always been the club afternoon where green should be open to all. An update on Centenary planning we now have two confirmed games Men's P&D 28th June and Friends of English Bowls 6mx Saturday 19th July. We await EBA and Hampshire dates and the P&D ladies game Centenary Club Stickers have been purchased and the plan is to give all members a full set any additional sets will be bought as normal. A number of sponsors have been identified and we are in the process of finalising. A new flag is in the process of being produced and the team continue to explore other avenues. I have to arrange a meeting with the catering committee to begin looking at costings of meals for the representative games.
