Any other useful information about the market for a new trader	<p>The roads into Crewkerne can be slow on market days so allow plenty time.</p> <p>Unloading – there are three short stay parking areas close to the market. The easiest to find for your first visit are the lay-bys on the side of the main road, either side of the pedestrian crossing at the opening to Falkland Square. Avoid the strip of road up the side of the Square, as you will get boxed in!</p> <p>At the end of the market please be patient as it can take time for everyone's vehicle to be loaded up. Be careful when reversing, as it is a pedestrianised area.</p>
Costs	£26 on the day; £24 on invoice (£5 discount for veg/plants)
